Dear Mr. Newman:

The Department of Environmental Protection's Solid and Hazardous Waste Management Program is in receipt of a request for administrative action to the Monmouth County Solid Waste Management Plan (County Plan) dated September 20, 2013. The September 20, 2013 request for administrative action proposes County Plan inclusion of Monmouth Wire and Computer Recycling Class D Recycling Facility located at Block 145, Lot 14.01 in the Borough of Tinton Falls to offer on-site and off-site hard drive shredding services.

Pursuant to N.J.A.C. 7:26-6.11(b) 5., the modification of an existing facility including on-site and off-site hard drive shredding services constitutes an approvable administrative action. Therefore, this request is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

Please be advised that this administrative action approval shall not be construed as an expression of the Department's intent to issue a permit modification to the subject facility for the above noted operational changes.

If you have any questions relative to this action, please contact Najwa N. N. Ali of my staff at (609) 984-9773 or email at najwa.ali@dep.state.nj.us.

Sincerely,

Robert Goodwin, Supervising Environ. Specialist
