OCT 11 2019

Dear Mr. Newman:

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of a proposed amendment to the Monmouth County District Solid Waste Management Plan (County Plan) dated October 4, 2019. This amendment to the County Plan proposes County Plan inclusion of a change in the block and lot of the Middletown Township Recycling Center Class C (Belford Compost Facility) from Block 1408, Lot 1 to Block 306, Lot 66. The above noted change in block and lot will not result in any operational changes with the onsite compost operation.

Pursuant to N.J.A.C. 7:26-6.11(b)14, the inclusion of a change in block and lot of an existing Class C recycling facility can be accomplished via an administrative action. Therefore, this request to change the block and lot of the Middletown Township Recycling Center Class C (Belford) is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

If you have any questions relative to this matter, please contact Joanne McClendon of my staff at (609) 292-2125 or email at [joanne.mcclendon@dep.nj.gov](mailto:joanne.mcclendon@dep.nj.gov).

Sincerely,

Edward A. Nielwocki, Contract Administrator 3
