Dear Mr. Newman:

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of the October 17, 2014 request for an administrative action to the Monmouth County Solid Waste Management Plan (County Plan). The administrative action to the County Plan would allow John Blewett, Inc. to make an application for a permit modification. The modification would allow John Blewett, Inc. to accept self-generated wood materials in addition to previously approved materials at the John Blewett Inc. Class B recycling center located at Block 46, Lots 9 and part of 10.01 in Howell Township.

Pursuant to N.J.A.C. 7:26-6.11(b) 5, the modification of an existing facility including additional waste types constitutes an approvable administrative action. Therefore, this request is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

Please be advised that this administrative action approval shall not be construed as an expression of the Department's intent to issue a permit modification to the subject facility for the above noted changes in materials.

If you have any questions relative to this action, please contact me at (609)984-4250 or email at Ed.Nieliwocki@dep.nj.gov.

Sincerely,

A handwritten signature in cursive script that reads "Edward Nieliwocki".
