NOV 29 2016

Dear Mr. Newman:

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of the November 16, 2016 request for an administrative action to the Monmouth County Solid Waste Management Plan (County Plan). The administrative action to the County Plan would allow Freehold Cartage, Inc., located on Block 43, Lot 18 at 825 Highway 33 East in Freehold, New Jersey to include the scale facilities and the resident drop-off area that are included in Block 43, Lot 19 to its existing solid waste operations.

Pursuant to N.J.A.C. 7:26-6.11(b)5, the modification of an existing facility to include on-site operational changes constitutes an approvable administrative action. Therefore, this request to include the scale facilities and the resident drop-off areas in Block 43, Lot 19 is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

Please be advised that this administrative action approval shall not be construed as an expression of the Department's intent to issue a permit modification to the subject facility for the above noted facility.

If you have any questions relative to this matter, please contact Joanne McClendon of my staff at (609) 292-2125 or email at Joanne.mcclendon@dep.nj.gov.

Sincerely,

Edward A. Nielowski, Contract Administrator 3
Bureau of Planning and Licensing
