Dear Mr. Agliata,

The New Jersey Department of Environmental Protection, Division of Sustainable Waste Management, Bureau of Planning and Licensing is in receipt of a request for administrative action to the Ocean County District Solid Waste Management Plan (County Plan) dated November 22, 2022. This amendment to the County Plan proposes County Plan inclusion to incorporate a change in designation at the Brick Township Public Works Facility (Brick) located at Block 1442, Portion of Lots 4, 20, and 21, in the Township of Brick to rectify certain inconsistencies in their application to modify their Recycling Center General Approval (GA) and the County Plan. These changes include the following:

- *Brick is open Monday- Saturday, 6:30am to 3:30pm.
- *Brick is authorized to accept brush and leaves.
- *Brick is authorized to accept 25 tons of brush and 25 tons of leaves daily.
- *Brick is authorized to accept 7,800 tons of brush and 7,800 tons of leaves, annually.

Pursuant to N.J.A.C. 7:26-6.11(b)14, to rectify certain inconsistencies between the Brick GA and the County Plan can be accomplished via an administrative action. Therefore, this request is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

If you have any questions relative to this matter, please contact Joanne McClendon of my staff by e-mail at joanne.mcclendon@dep.nj.gov.
