

Did you know we process  
**millions of pounds of**  
**SOLAR PV** annually?

We work with many of the largest manufacturers,  
installers, O&Ms, EPCs, and energy companies in the  
U.S. **We would love to work with you as well!**

1.

**We help you  
manage solar  
modules like  
these...**

2.

**We sort, test  
and refurb  
them for reuse.**

3.

**End-of-life  
modules are  
processed into  
commodities...**

4.

**...which are used  
to create  
products like  
these!**
