Dear Interested Party:

The Department of Environmental Protection (Department) has prepared the following document for the administration of the Drinking Water State Revolving Fund (DWSRF).

Final Amendments to the
Drinking Water Intended Use Plan
Federal Fiscal Year 2021 and State Fiscal Year 2022

The Intended Use Plan (IUP) must be developed annually by the Department, undergo a public participation process, and be approved by the US Environmental Protection Agency (USEPA) for the Department to be awarded its capitalization grants to support the New Jersey Water Bank.

The Amendments to the FFY 2021 DWSRF IUP were proposed on September 14, 2021, with a 15-day comment period. No substantive changes have been made as a result of comments received on the amendments. The FFY2021/SFY2022 DWSRF IUP has been finalized and posted on the Department's website at <http://www.nj.gov/dep/dwq/cwpl.htm>.
