May 27, 2021

Dear Interested Party:

The Department of Environmental Protection (Department) has finalized the following document for the administration of the Federal Fiscal Year (FFY) 2021/State Fiscal Year (SFY) 2022 Clean Water State Revolving Fund.

<b>Clean Water State Revolving Fund (CWSRF) Program</b>
---

Final Federal Fiscal Year 2021/ State Fiscal Year 2022 Intended Use Plan (IUP)
--

The Intended Use Plan must be developed by the Department, undergo a public participation process and be approved by the US Environmental Protection Agency (USEPA) for the Department to be awarded its capitalization grant used to finance water infrastructure projects.

The FFY 2021 CWSRF IUP was proposed in December 2020 with a 30-day comment period. No significant changes were made to the Clean Water SRF program, as described in the proposed FFY2021 IUP. The FFY2021/SFY2022 CWSRF IUP has been finalized and posted on the Department's website.

If you have any questions regarding the Final CWSRF IUP, please contact Eugene Chebra, Assistant Director, Municipal Finance and Construction Element, Division of Water Quality at 609-292-8961.

Sincerely,

  
Janice Brogle, Director  
Division of Water Quality
