**17. ELECTRONIC COMMUNICATIONS**

The Department's Division of Water Quality (DWQ) now processes permit applications and provides correspondence electronically. Issuance of this NJPDES permit or authorization under a general permit and all communications will be stored, retrieved, and transmitted electronically. The term "communications" means any notice, record, response or approval, or other type of information that is made available to you or received from you in connection with this permit or authorization. If you **DO NOT** want to receive all communications pertaining to the issuance of this permit or authorization electronically and, instead, would prefer to receive paper copies, please check the following box:

If you DID NOT check the box above, the Department will send all communications related to the issuance of this permit or authorization to the email address identified in Section 2 of this application. If you would like additional email addresses to be copied on the communications, please place a checkmark below identifying the section(s) of this application where those email address(es) are located.

- 1. Requested NJPDES Permit Action** - For each requested permit action under this application, identify the NJPDES permit number, the current discharge category code of the permit (if applicable), and the requested discharge category code. For a list of the discharge category codes and their descriptions, please refer to the DWQ website at <http://www.nj.gov/dep/dwq/forms.htm>. In addition, place a check mark under the requested permit action (e.g. new, renewal, etc.) and, if available, provide the expiration date of the existing permit.

For information on the causes for modification and revocation and reissuance of a permit, please refer to [N.J.A.C. 7:14A-16.4 and 16.5](#). **Important Note:** Any changes in the permittee, property owner, or operating entity, including those changes under the provisions of N.J.A.C. 7:14A-16.5(a)4, does not constitute a “modification” action for the purposes of this application. In those cases, the applicant should provide updated information through the [Administrative Update](#) or [Application for Transfer of a Permit](#) forms which should be completed and submitted to the Department.

- 2. Applicant(s)/Operating Entities** - Provide the name, as it is legally referred to, of the operating entity(ies) that is the applicant(s) in your application for the NJPDES permit. An “operating entity” is any firm, public agency, individual, or other entity which, alone or along with other operating entities, has primary management and operational decision-making authority over any part of a facility/site.

It is the duty of the operating entity(ies) to obtain a NJPDES permit. When a facility/site or activity is owned by one or more entities, but is currently operated by another entity(ies), it is the duty of the operating entity(ies) to obtain a NJPDES permit. If the facility/site named in Item 3 has an operating entity(ies) which is not an applicant submitting your application, attach an additional sheet that contains a statement to that effect and as much Item 1 information as you have about that operating entity(ies).

Provide the mailing address of the applicant(s). If the mailing address is outside the United States, provide the correct foreign mailing address. Provide the 9-digit Federal Tax Identification Number (also called Federal Identification Number) assigned to the applicant(s) by the IRS for tax reporting purposes. Provide the contact person, telephone number and e-mail address of the applicant(s). If the applicant(s) has a parent corporation(s), provide that parent corporation’s name, place of incorporation, contact person and contact person’s e-mail address. Provide the ownership type of the applicant by checking the appropriate box.

- 3. Property/Land Owner(s)** - Provide the legal name and mailing address of the owner(s) of the property/land upon which the discharge is controlled and/or taking place. A “Property” includes all contiguous lots and blocks, including vacant land, owned or otherwise under the control of the owner or operating entity of the regulated facility. Provide an owner contact person, telephone number and email address for the contact person. **NOTE:** For all DGW applications, the property owner where the discharge takes place must also sign item 16.
- 4. Location of Facility/Site** - Provide the name and address/location of the facility/site. Street number and name must be used (PO Box numbers will not be acceptable). Use the municipality and county where the facility/site is physically located. Do not use local or neighborhood names. Please provide the lot and block numbers. Provide the mailing address of the facility/site if it is different than the locational information already provided.
- 5. Standard Industrial Classification Code** - List, in descending order of priority, up to four 4-digit Standard Industrial Classification (SIC) codes or the North American Industrial Classification System (NAICS) which best reflect the principal products or services provided by the facility/site. The following websites are available to research these codes: [http://www.osha.gov/pls/imis/sic\\_manual.html](http://www.osha.gov/pls/imis/sic_manual.html) (SIC only) and <http://www.naics.com/search.htm> (provides crosswalk information).

6. **Project and Discharge Description (Under This Application)** - Provide a brief description of the project relating to this application (e.g., municipal sewage treatment plant, factory, shopping center, school, housing development, restaurant, etc.). For each discharge which is the subject of this application, provide the general type of waste discharged (e.g., sanitary, industrial, sludge, etc.) including non-contact cooling water. If requesting a modification to your permit, state the reason for such.
7. **Other NJPDES Permits Associated With This Facility** - List the currently held NJPDES permits and/or pending applications for this facility/site. For existing permits, list the permit number(s) and expiration date.
8. **Other Permits** - This section provides the Department with a facility's permitting status and history. Next to each permit type, list the application number and the date of the approval or denial in the appropriate column. If the application is still pending, place a check in the far right hand column.
9. **Permit Contact(s)** - Identify the contact program type, by checking the appropriate box(es), and names of up to two people that the Department can contact for permit related information. People identified in this section should be familiar with the content of the application. For each person, provide their organization name, mailing address, telephone number, and email address.
10. **Licensed Operator(s) (If Applicable)** - Provide the name, NJ License Number, organizational name, mailing address, telephone number, and email address for all licensed operator(s) of the treatment work(s).
11. **Monitoring Report Recipient** – For facilities not required to electronically report Monitoring Report Form (MRFs) that wish to receive notices/forms at a different address than in section 2 or 3 of the application, please provide the organization name, address, contact name, telephone number and email address. If the MRF recipient is the same as the entity identified in sections 2 or 3 of the application, check the appropriate box indicating which section. For information on the type of permits required to electronically report MRFs, please visit the Department's website at <http://www.nj.gov/dep/dwq/mrf.htm>.
12. **NJPDES Permit Fees Invoice Recipient** – If you wish to receive NJPDES fee invoices at a different address than in section 2 or 3 of the application, please provide the organization name, address, contact name, telephone number and email address. If the invoice recipient is the same as the entity identified in sections 2 or 3 of the application, check the appropriate box indicating which section.
13. **Water Supply/Discharge Information** – Complete this section with the pertinent information.
14. **Applicant's Agent (Optional)** - Identify the person who is authorized to act as agent/representative in all matters pertaining to this application. Provide the name, position, organizational name, mailing address, telephone number and email address of the agent. Both the agent and the authorized official of the applicant must sign the application in this section.
15. **Property Owner's Certification (For DGW Permits Only)** - Provide the appropriate information under the certification for the property where the discharge takes place.
16. **Water Quality Management Plan Consistency Determination (CD) Certification** – For new or expanding projects or activities that will be assigned a permit category of A, B, ASC, GW, or T1, provide the necessary information and certification that the land area intended to be served by the proposed treatment works is within an area eligible for sewer service in accordance with the approved Water Quality Management Plan. A list of all Water Quality Management Plans in the State is provided below. The certification must be accompanied with a map identifying the land area intended to be served by the proposed treatment works on a U.S.G.S. quadrangle map or digital format map prepared in accordance with the Department's mapping standards at N.J.A.C. 7:1D Appendix A. The certification must be made by the applicant(s) for the NJPDES permit. The applicant(s) is the operating entity(ies) for the facility/site (see item 2 instructions). Water Quality Management Planning regulation information may be obtained on the Departments website at <http://www.nj.gov/dep/wrm/index.html>.

- 17. Electronic Communications** – If you DO NOT wish to receive communications related to the issuance of this NJPDES permit or authorization under a general permit electronically from the Department’s Division of Water Quality (DWQ), please check the checkbox. In addition, if you do not check the checkbox and wish for the electronic communications from DWQ related to the permit or authorization be sent to an email address(es) other than that which is identified in Section 2 of this application, please check the boxes associated with the applicable section(s) of the application where those email addresses are located.
- 18. Certification by Applicant** - The certification must be made by the applicant(s) for the NJPDES permit. The applicant(s) is the operating entity(ies) for the facility/site (see item 2 instructions).

**Who may sign this form?**

A Responsible Official is defined in N.J.A.C. 7:14A-4.9 as follows:

For a corporation:

- A president, secretary, treasurer, or vice-president of the corporation in charge of a principal business function, or any other person who performs similar policy or decision-making functions for the corporation; or
- The manager of one or more manufacturing, production, or operating facilities, provided:
  - The manager is authorized to make management decisions that govern the operation of the regulated facility, including having the explicit or implicit duty of recommending major capital investment, initiating and directing comprehensive measures to assure long term compliance with environmental laws and regulations, and ensuring that the necessary systems are established or actions taken to gather complete and accurate information for permit application requirements; or
  - The authority to sign documents has been assigned or delegated to the manager in accordance with corporate procedures; or
- A duly authorized representative established consistent with N.J.A.C. 7:14A-4.9(b).

For a partnership or sole proprietorship: A general partner or the proprietor or A duly authorized representative established consistent with N.J.A.C. 7:14A-4.9(b).

For a government agency:

- A ranking elected official; or
- A chief executive officer of the agency; or
- A senior executive officer having responsibility for the overall operations of a principal geographic unit of the agency (e.g., Regional Administrator); or
- A duly authorized representative established consistent with N.J.A.C. 7:14A-4.9(b).
