<ul style="list-style-type: none"> <li>Influent and effluent pipes have been sealed.</li> </ul>		
<ul style="list-style-type: none"> <li>The affected units have been closed in such a manner so as to protect public safety and health, and to assure that no contamination of ground or surface water will occur as a result of removing such facilities and equipment from service, either through the act of closure or through continuing the discharge of pollutants into or through equipment; or through leaking, leaching, or discharge of pollutants from wastewater or residuals or other by-products remaining in facilities or equipment which has been removed or remains on site.</li> </ul>		
<ul style="list-style-type: none"> <li>All residual materials and all other solids from the treatment process including, but not limited to, liquid and dried sludges, grit and screenings, scum and sand bed materials have been removed and/or managed in a manner approved by the Department.</li> </ul>		
<ul style="list-style-type: none"> <li>Other, explain: _____ _____</li> </ul>		

After verifying that the applicant no longer requires a permit for the discharge, the appropriate Water Compliance and Enforcement Bureau will advise the Office of Permit Management to revoke the NJPDES permit or GP Authorization.

I understand that it is a violation of the "Water Pollution Control Act", N.J.S.A. 58:10A-1 et seq., to discharge pollutants except in conformity with a NJPDES permit and that I may be subject to significant civil/criminal penalties for said violation.

"I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based upon my inquiry of the person(s) who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for purposely, knowingly, recklessly, or negligently submitting false information."

A Responsible Official is defined in N.J.A.C. 7:14A – 4.9 as follows:

For a corporation: A president, secretary, treasurer, or vice-president of the corporation in charge of a principal business function, or any other person who performs similar policy or decision making functions for the corporation; or the manager of one or more manufacturing, production, or operating facilities, provided:

- (1) The manager is authorized to make management decisions that govern the operation of the regulated facility, including having the explicit or implicit duty of recommending major capital investment, initiating and directing comprehensive measures to assure long term compliance with environmental laws and regulations, and ensuring that the necessary systems are established or actions taken to gather complete and accurate information for permit application requirements; or
- (2) The authority to sign documents has been assigned or delegated to the manager in accordance with corporate procedures.

For a partnership or sole proprietorship: A general partner or the proprietor.

For a government agency: A ranking elected official; or the chief executive officer of the agency; or a senior executive officer having responsibility for the overall operations of a principal geographic unit of the agency (e.g., Regional Administrator).

A duly authorized representative as defined in N.J.A.C. 7:14A-4.9(b).
