NOTICE OF INTENT TO RENEW
Class B Recycling Center Permit No. CBG210002

Notice is hereby given, pursuant to NJSA 13:1D-157 and the New Jersey Department of Environmental Protection (NJDEP) Administrative Order 2021-25 (AO 2021-25), that Impact Environmental Consulting, Inc. located at 1000 Page Avenue, Lyndhurst, NJ, intends to renew its Recycling Center Class B General Approval operating permit.

In that the recycling facility is located in an Overburdened Community and subject to the New Jersey Statewide Mandatory Source Separation and Recycling Act, its authorization, beyond being Administratively Complete, is covered by the New Jersey Environmental Justice Law and therefore subject to AO-2021-25.

The proposed Class B Recycling Permit Renewal does not request any modifications to the facility’s existing Class B permit. The current Class B Permit No. CBG210002 was first issued on July 13, 2007 and continually operated and renewed every 5 years. The last renewal was on June 5, 2017. Upon final approval, the permit will be renewed for an additional 5 years from the current expiration date.

Pursuant to AO 2021-25, a public information session will be held virtually on June 8th, 2022 at 6:00pm. The information session will be held via Microsoft TEAMS. Please send an email to Community@ImpactEnvironmental.com to receive your link.

Concurrent with this notice, Impact Environmental Consulting, Inc. will accept public comments on the proposed Class B renewal for a sixty-day period starting May 6th, 2022, and concluding on July 6th, 2022. Comments can be submitted via electronic mail to Community@ImpactEnvironmental.com or via United States Postal Service to:
