AGENDA

- 1) Introductions
- 2) Recap of EO23 and Timeline
- 3) Guidance Discussion
- 4) Summary
- 5) Next Steps

Questions for Discussion:

1. How can coordination between state agencies advance EJ goals? Do you have examples?
2. Should environmental justice areas be identified, and if so how?
3. Do you have recommendations for how to better align or prioritize funding for environmental justice? What is needed for environmental justice communities or municipalities to better utilize funding? What technical assistance is needed?
4. How would you measure success for state agencies incorporating EJ into their work?
5. What level of involvement would you like to have during implementation of the guidance document?
