

Acceptable Payment Changes for Solid/Medical Waste Transporters

Who is affected?

Solid/Medical Waste Transporters who are requesting to obtain a:

- New transporter permit/license;
- Add-on equipment to existing permit/license; and or
- Biennially renew an existing permit/license.

What has occurred?

As of January 1, 2009, and in accordance with **N.J.A.C. 7:26-4.2**, all payments for solid waste transporting must be paid in U.S. dollars by **Certified Check, Government Purchase Order, Government Check, or Money Order**, payable to "Treasurer, State of New Jersey." In the past, the Department had accepted payment in the form of a personal and/or business check; these forms of payment are no longer accepted.

What is DEP doing?

Any payment received by the Bureau of Solid Waste Compliance and Enforcement Transporter Registration Unit, other than **Certified Check, Government Purchase Order, Government Check, or Money Order**, will be rejected, and promptly returned to the sender without processing.
