

## New Mailing Addresses at DEP Effective July 1, 2010

### What has occurred?

In a State-wide effort to reduce costs and streamline the handling of mail, a consolidation of PO Box numbers throughout the DEP has occurred. Effective July 1, 2010, Compliance & Enforcement will no longer be utilizing PO Box numbers 407, 411, 422, 437, and 441; instead, all mail to the Trenton campus will be consolidated into PO Box 420 and include a mail code that represents the Bureau or Unit. This affects not only the air, water and waste program areas but also the multiple related units within Compliance & Enforcement including Exams & Licensing, Pesticides, Manifests, Medical Waste, Hauler Registrations and A901, Utilities, and County and Local oversight (CEHA).

The following table lists the new addresses of the Compliance & Enforcement offices located within Trenton:

## What should I do?

You should begin to use the new addresses now. Mail will be forwarded for one year; however forwarding of mail will slow down the delivery to Compliance & Enforcement. Any mail not addressed to a mail code and PO Box 420 after the forwarding time expires will be returned to the sender as undeliverable. **Returned or delayed mail could result in missed registration, application, submission or filing deadlines and could ultimately affect your compliance status.**
