

# Compliance Advisory

NEW JERSEY DEPARTMENT OF ENVIRONMENTAL PROTECTION  
Division of Air Enforcement #2022-03 Issued: March 15, 2022

## Free Air Enforcement Virtual Training Event

### WHO WOULD BENEFIT FROM ATTENDING THIS TRAINING/OUTREACH EVENT?

Anyone who is interested in learning about, or who is subject to the New Jersey Air Pollution Control Regulations is encouraged to attend.

### SEMINAR DESCRIPTION:

We are happy to announce that the Air Enforcement Seminar is back again this year. We will have regulatory and enforcement updates to share with you. Join us to learn what happens behind the scenes and how the Air Enforcement Program and Air Permitting counterparts work together, as well as how environmental justice is being implemented into both our programs. We will cover common issues encountered when completing electronic submittals, including correct reporting for emission monitors with a 3-hour rolling average, based on 1-hour blocks.

This outreach will be in a different format due to COVID precautions, but our goal remains the same, to provide you with useful information pertaining to Air Enforcement. We will be presenting the information to you via the Microsoft Teams Live Event Platform. Please see below for the registration link.

### WHEN WILL THIS EVENT TAKE PLACE?

The Department is providing this free seminar from 9 a.m. to 1 p.m. on **May 4, 2022**, via Microsoft Teams Live.

Complete registration for the event [here](#).

\*A separate email will be sent to the email used during registration, one week prior to the May 4, 2022, event, detailing how to join the Microsoft Teams Live Event.
