

Expired Registration and Delivery Ban Lists

Expired Registration List

- ▶ PI# specific
 - ▶ Search entire county
 - ▶ PI#, site name, address and expiration date
-
- ▶ NJDEP website - search by topic (Underground Storage Tanks) - other SRP reports - expired UST Registrations

Imposition of a Delivery Ban

- ▶ Registration
- ▶ Financial Assurance
- ▶ Corrosion Protection
- ▶ Release Detection Monitoring
- ▶ Spill Prevention
- ▶ Overfill Prevention
- ▶ Suspected/visible discharge

The background of the slide features a photograph of a sign with the text "Do Not Fill Delivery Prohibition" in large, bold, red letters. The sign is partially obscured by a white triangular graphic on the left and a purple and blue geometric graphic on the right. The text is arranged in three lines: "Do Not Fill" on the top line, "Delivery" on the middle line, and "Prohibition" on the bottom line.

Do Not Fill
Delivery
Prohibition

A Cease Use can be imposed on a portion or, on the entire facility. Most common reason is an ongoing discharge.

Delivery Ban List

- ▶ List by county which facilities have an active delivery ban
- ▶ Pl#, site name, address and date of delivery ban

Lifting the Delivery Ban

You may resume normal operations only after DEP approval
