School IPM Coordinators: 2024-2025 Training Schedule

Integrated Pest Management (IPM) training sessions are offered for school IPM Coordinators and other school personnel with administrative responsibilities related to the IPM law. IPM Coordinators receive certificates of attendance to fulfill the MANDATORY training requirement as stated in the NJDEP Pesticide Control Program regulations at N.J. A.C. 7:30-13.3. Training **does not need to be repeated annually**; though people may keep up-to-date by attending annually. The sessions help IPM Coordinators implement the IPM law in areas such as: non-pesticide pest management, parental notification, the 72-hour notification rule, low-impact pest management; record keeping, and pest emergencies. Participants receive 4 Continuing Education Units (CEUs). Facilities Managers with CEFM certification should note that the 4 CEUs help fulfill the NJDOE requirement that 20 CEUs must be earned within a three-year period to maintain certification.
