

2003 General Trout Fishing Information

Trout Season and Daily Creel Limit

The trout season for 2003 begins at 12:01 a.m., January 1, and extends through March 23, 2003. The trout season shall re-open at 8:00 a.m. Saturday, April 12, 2003 and extend to and include March 22, 2004. From March 24, 2003 to 8:00 a.m. on April 12, 2003 it is illegal to fish for any species of fish in ponds, lakes or those portions of streams that are listed herein for stocking during 2003. See next column and top of page 12 for exceptions.

No person shall take, kill or have in possession in one day more than 6 in total of brook trout, brown trout, rainbow trout or hybrids thereof during the period extending from 8:00 a.m. April

12, 2003 through May 31, 2003 or more than 4 of these species during the periods of January 1, 2003 through March 23, 2003 and June 1, 2003 through March 21, 2004.

Only one creel limit of trout may be in possession. Trout may be caught once the creel is reached if immediately returned to the water unharmed. Separate stringers or buckets must be used for each person's catch; two people may not share a stringer or a bucket. On board containers in boats may only contain the combined daily creel limit for each legal angler on board.

Exceptions to the trout season and/or daily creel limit occur on the following: Lake Hopatcong, Prospertown Lake, Pompton Lake,

Manasquan Reservoir, Spruce Run Reservoir, Delaware River, Greenwood Lake, Farrington Lake and Lake Shenandoah and Special Regulation Trout Areas. (Consult pages 12 and 13 for details.) Also Canistear Reservoir, Clinton Reservoir and the section of the Pequannock River regulated as a Wild Trout Stream are within the Newark Watershed which has a limited season that closes in late October and re-opens on the opening day of trout season each spring. For further information contact the Watershed at 973-697-2850.

Size limits and creel limits on species other than trout are in accordance with statewide regulations. The Division reserves the right to suspend stocking when emergency conditions prevail.

Trout Stocked Waters with No In-Season Closures

The waters listed below are open during the entire Spring in-season stocking. For details on what's being stocked and when, call the Trout Hotline (Spring stocking: April, May; Fall/Winter stocking: October–January) at 609-633-6765. This recorded message is updated weekly. Or visit our website at www.njfishandwildlife.com.

Note that the number in parentheses indicates the anticipated number of in season stockings (from April 20 through May 30). A zero indicates that the water will only be stocked pre-season (before opening day).

Atlantic County

Birch Grove Park Pond—Northfield (4)
Hammonton Lake—Hammonton (4)

Bergen County
