

Special Area Deer Hunting Season Information

Special areas include Federal Military Installments, certain state and county parks and national wildlife refuges where hunter access is controlled. All state game laws and regulations apply to Special Areas.

Only ONE antlered deer may be taken per season, statewide, regardless of the number of permits possessed.

Due to homeland security measures and military actions, the Division of Fish and Wildlife cannot guarantee all military installations will be available and open for hunting throughout the duration of each deer season. Hunters are reminded that the Division has a "no refund/no exchange" policy with regard to the purchase of deer permits.

NOTE: Only one antlered deer may be taken per season (except six-day firearm—if two antlered deer are harvested during the six-day firearm season, then your bag limit for the permit shotgun season is restricted to antlerless deer only.)

Hunters Helping the Hungry

Hunters Helping the Hungry (HHH) is a program that enables hunters to donate venison, providing high quality protein to needy individuals throughout the New Jersey. In it's sixth year, HHH will continue to operate with limited funding. Therefore **hunters wishing to donate deer must also donate a minimum of \$20 towards the \$65 processing fee. However, once funding runs out, hunters donating deer will have to pay the entire \$65 fee charged by participating butchers.** Last year, hunters donated over 21,700 lbs. of venison. The Division urges individual deer hunters and hunting clubs to consider donating funds to this worthy cause. Since funding is not expected to meet demand, hunters are urged to check with NORWESCAP, the Food Bank of Monmouth County or one of the participating butchers before harvesting a deer intended for donation.

In order to satisfy their regular customers, butchers will not accept donated deer during the Six-Day Firearm Buck Season (December 8-13, 2003).

Participating Butchers Include:
