General Trout Information

2006 REGULATIONS

This is not the full law. Consult the Division of Fish and Wildlife for further details.
All persons are reminded that the statutes, code and regulations are the legal authorities.

2006 General Trout Fishing Information

- Opening day of trout season: April 8, 2006 at 8 a.m.
- No person between the ages of 16 and 69, inclusive, shall take, attempt to take, possess or kill trout without a valid fishing license and trout stamp.
- It is illegal to fish for any species of fish in ponds, lakes or sections of streams which are stocked with trout, from 11:59 p.m. March 19, 2006 to 8 a.m. April 8, 2006.

Exceptions: Lake Hopatcong, Prospertown Lake, Farrington Lake and Lake Shenandoah are open year round to fishing. However, all trout caught between 12:01 a.m. March 20 and 8 a.m. on April 8 must be released immediately. Seasonal or Year-round Trout Conservation Areas

and designated Holdover Trout Lakes are also open to fishing but are catch-and-release only for trout. Fishing is not permitted on seasonal trout conservation areas from 12:01 a.m. to 8 a.m. on April 8, 2006.

- Only one daily creel limit of trout may be in possession. Once the creel limit is reached, an angler may continue to fish provided any additional trout caught are immediately returned to the water unharmed.
 - Separate stringers or buckets must be used for each angler's catch.
 - Containers in boats may hold only the combined daily creel limit for each legal angler on board.
- Fish and Wildlife reserves the right to suspend stocking when emergency conditions prevail.

Spring Trout Stocked Waters Without In-Season Fishing Closures

After opening day these waters may be fished on the day they are stocked. Note: The number in parentheses indicates the anticipated number of in-season stockings (from April 8 through May 26). A zero indicates the water will only be stocked pre-season (the three-week period preceding opening day). For details on what's being stocked and when, call the Trout Hotline (Spring stocking: April, May; Fall stocking: October; Winter stocking: November-January) at (609) 633-6765. This recorded message is updated weekly. Or visit our Web site at www.njfishandwildlife.com.

Sea Run Brown Trout

The New Jersey Division of Fish and Wildlife has stocked brown trout in the lower Manasquan River. Anglers are asked to report all catches of brown trout that exhibit characteristics of a sea run.

These fish tend to develop a more silvery coloration, masking most of the body spots, after an extended time in salt water.

The future of this program depends on these fish being caught and reported.

Call Pequest State Fish Hatchery (908) 637-4173 or Lebanon Field Office (908) 236-2118.

Hook A Winner Program

Once again this year, the Division of Fish and Wildlife will be jaw tagging more than 1,000 brook trout for release in New Jersey waters. If you are a lucky angler who lands one of these fish, send your name, address, fish tag number and location of catch to the Pequest Trout Hatchery, 605 Pequest Road, Oxford, NJ 07863, Attn: Hook a Winner Program. In recognition of your catch, a certificate and award patch will be mailed.

In addition, your name will be forwarded to the NJ State Council of Trout Unlimited and entered into their drawing for one of 12 rod and reel combinations to be held during the celebration of National Fishing Week, June 4-11, 2006.
