2012 Spring Trout Allocations and In-Season Stocking Days

This alphabetical listing of trout-stocked waters allows anglers to quickly reference an individual waterbody to obtain the weekly spring trout allocations. For the seven week in-season stocking period following opening day, the day of the week that stocking is scheduled is also indicated. This schedule is subject to change and any deviations will be noted on the Division's website (<http://www.njfishandwildlife.com>) and on the 24-hour Trout Stocking Hotline [(609) 633-6765]. Anglers should consult the 2012 NJ Freshwater Fishing Digest, pages 18 - 22, for a complete description of all trout fishing regulations, including special regulations and in-season stocking closures that may apply to individual trout-stocked waters.
