The New Jersey Division of Fish and Wildlife reminds sportsmen and sportswomen that the use of all-terrain vehicles (ATVs) is prohibited on state lands including wildlife management areas, state parks and state forests. Any person found to be operating an ATV on a wildlife management area will be issued a citation for violating state regulations. Be advised that two violations of wildlife management area regulations will result in the loss of all sporting licenses and privileges for a period of five years. The responsible use of ATVs must be restricted to private land with landowner permission. Riders should take measures to avoid damage to habitat and wildlife.
