RULES

1. Only the following fish exceeding the minimum length listed below are eligible for entry:

Black drum—16 in.	Red drum—18-27 in.
Bluefish—14 in.	Striped bass—28 in.
Kingfish—10 in.	Weakfish—13 in.

NOTE: Minimum length for the tournament may differ from NJ saltwater regulations. If regulations to size limit change, minimum size limit will reflect current regulations at the time of the Tournament.

2. All fish are measured. Length determines winner, not weight. No fish can be iced prior to measuring. In the event of a tie, the first fish entered and measured is the winner.
3. Participants are only eligible to win one category.
4. Participants must be present to claim any prizes during this event.
5. All anglers must sign an affidavit attesting to the authenticity and method of catch prior to entering their catch. A witness is required if the fish is to be measured and released.
6. All participants should register their first fish even if it is known that a larger fish has already been caught.
7. Fish caught from any boat, surfboard or other floating device will not be eligible.
8. Fish may be caught from any OCEANSIDE part of the park from the park entrance to the North Jetty, and the inlet to the dune line. No bayside fishing of any kind will be allowed.
9. Terminal tackle will be limited to 2 hooks. A plug counts as 1 hook. Individuals are limited to 2 rods while fishing.
10. Only one fish per person per species will be eligible for prizes. Anglers may enter fish of more than one species.
11. Judges will make a vertical cut in the tail to show the fish has been measured, unless it is immediately released alive.
12. All established park regulations apply.
13. Please bring sufficient bait.
14. All fish MUST be measured where caught.
15. Refer to the current *Marine Digest* for saltwater fishing regulations.
16. All participants 16 years and older must be registered with the Saltwater Registry.
