2. Offshore Wind Energy “Ignite talk” by Colleen Brust, BMF biologist, *as recorded* during the February Fish & Game Council meeting.

LUNCH

3. Discussion about where we stand in our understanding of bat and avian species concerns regarding offshore wind energy development.

ADJOURNMENT

*The Chairperson will provide opportunity for interested members of the public to provide input to discussions on all agenda items when appropriate as discussions proceed. This specific Public Comment agenda item is meant to provide an opportunity for the public to speak to concerns regarding endangered and nongame wildlife conservation that may not be on the meeting agenda. The Chairperson may limit the length of public comment as needed to allow for completion of the rest of the meeting agenda.
