February 24, 2021

Dear Atlantic Menhaden Pound Net, Otter Trawl, Gill Net, Bait Net License Holder:  
New Jersey Menhaden Dealer:

The New Jersey Division of Fish and Wildlife has determined that the 2021 Atlantic Menhaden quota allocated to the commercial Pound Net, Otter Trawl, Gill Net, and Bait Net fisheries will be harvested by Friday, February 26, 2021. Based upon this information and pursuant to N.J.S.A. 23:3-51.11(d)1 (L. 2013, c.74, s.13) the **New Jersey directed harvest of menhaden in the commercial Pound Net, Otter Trawl, Gill Net, and Bait Net fisheries will be closed** as of Friday, February 26, 2021.

Therefore, effective 12:00 AM, Friday, February 26, 2021, no vessel shall land or possess nor shall any dealer accept any Atlantic menhaden harvested by Pound Net, Otter Trawl, Gill Net, or Bait Net in excess of the by-catch trip limit of 6,000 pounds through December 31, 2021. The commercial Atlantic Menhaden Pound Net, Otter Trawl, Gill Net, and Bait Net directed fisheries will re-open on January 1, 2022.

If the New Jersey Division of Fish and Wildlife determines the directed commercial quota for harvesting Atlantic menhaden using Pound Net, Otter Trawl, Gill Net, or Bait Net was closed prematurely, notification re-opening those gear types will be provided.

If you have any questions, please contact the Bureau of Marine Fisheries at 609-748-2020.

Sincerely,

Joseph A. Cimino

Marine Fisheries Administrator
