

REBUILD BY DESIGN HUDSON RIVER

■ RESIST ■ DELAY ■ STORE ■ DISCHARGE ■

You're Invited to a
**REBUILD BY DESIGN
HUDSON RIVER
PUBLIC MEETING**

THURSDAY, SEPTEMBER 8, 2016

Debaun Auditorium, Edwin A. Stevens Hall
Stevens Institute of Technology
24 5th Street (between Hudson and River Streets),
Hoboken, New Jersey
6:30 P.M. to 8:30 P.M.

Join the New Jersey Department of Environmental Protection (NJDEP) at a Rebuild by Design Hudson River: Resist, Delay, Store, Discharge Project Public Meeting. The Project is a comprehensive urban water strategy whose overall purpose is to reduce flood hazard risks, flood-related public health risks, and which seeks to leverage resiliency investment to enhance the urban condition. The meeting will include the recommendation of the project's Preferred Alternative. Come learn about the project and share your input on the project's progress to date and the recommendation of the preferred alternative.

The public meeting facility is handicapped accessible to the mobility-impaired. For language or other special needs assistance, please call (917) 933-7439 by September 1.

Learn more about the project at:
