

How will tonight's feedback be used?

Tonight's feedback will be used to further the design development of the Zone 2 Park, moving forward with a single design while incorporating the feedback provided tonight and through the Digital Survey.

of the following six categories:
 The feedback has been used to identify two particular park concepts to further develop. We have addressed the many constructive comments received to date. Design responses to feedback generally fall within one

How was previous feedback applied?

How is the structure integrated into the park's design?

What area are we looking at tonight?

 Public Meeting #4
 Fall 2019

You can also scan this QR Code to access the Digital Survey!

The Digital Survey will be available for three weeks, from June 6th through June 27th, 2019. Through the Digital Survey, you will be able to provide responses to a series of specific park feature questions. This feedback will help the design team to understand the community's preferences as we continue to develop the design of the park.

go to the Project website at www.rbd-hudsonriver.nj.gov and click the Take Survey button.

OR
