

**TOWNSHIP OF
BURLINGTON NOTICE OF
PUBLIC HEARING**

Please take notice that the Township of Burlington (Township) will hold a public hearing on April 3, 2013 at 6:00 p.m. at the Township Council Chambers in the Municipal Building, 851 Old York Road, Burlington Township, New Jersey. The purpose of the hearing will be to receive public comment on the proposed diversion of a 0.09 acres portion of Township-owned parkland, Green Acres Park Four, located at the end of Pinewald Lane and Lardner Road, Block 144, Lot 10 in the Township ("the Diversion") for use as a sanitary sewer easement. The Diversion will accommodate construction of a gravity sanitary sewer main utilizing trenchless technology thus requiring no excavation or disturbance of the parkland. Upon completion the outmoded Pinewald Sewage Pump Station will no longer be necessary and will be removed. The parkland in question is encumbered with a State of New Jersey Department of Environmental Protection ("NJDEP") Green Acres Program restriction, and the Township has submitted a final application for the minor diversion of said lands to the NJDEP Green Acres Program, for approval by the NJDEP Commissioner and the State House Commission. As compensation for the Diversion the Township has agreed to contribute \$2,500.00 to the NJDEP Garden State Preservation Trust and will dedicate Block 144, Lot 9.05, where the current Pinewald Pump Station is located, consisting of 0.11 acres, for park use for the Diversion.

At the public hearing you may appear in person, or by attorney, in order to comment or, in the alternative, you may submit written comments by April 17, 2013, to Anthony J. Carnivale, Jr., Municipal Clerk, Township of Burlington Municipal Building, 851 Old York Road, Burlington, New Jersey 08016. You must also provide a copy of any written comments to Kevin Appelget at the NJDEP, Green Acres Program, Bureau of Legal Services and Stewardship, 501 East State Street, Mail Code 501-01, P.O. Box 420, Trenton, New Jersey 08625-0420.

Copies of the final application will be available to the public for inspection as of March 4, 2013, during normal business hours, at the Burlington Township Engineering Office and Burlington Township Municipal Library, both located on the second floor of the Municipal Building, 851 Old York Road, Burlington, New Jersey 08016 and at the NJDEP Green Acres Program, at the address noted above.
