The restriction hereby being imposed is done solely and exclusively to satisfy a condition imposed by the Galloway Township Planning Board in the grant of the approvals memorialized in the Decision and Resolution referenced above, adopted on December 28, 2006.

2.00 Conservation Easement and Land Use Restriction - Block 453, Part of Lot 2 and Block 455, Part of Lot 11. There shall be no redevelopment of any kind which would detract or take away from the open space character of these lands, such as development for residential use or other commercial uses. Nothing contained in this Article shall, however, in any way prevent the owners from modifying or altering the nature of the open space uses should such be deemed reasonably necessary or appropriate at some future time in the absolute discretion of the owner of the land, however, no such change in the nature of the open space plan shall in any way contemplate development of structures in and upon these lands which would in any way interfere with or inhibit the continued maintenance of these areas as common open space for the benefit of the age restricted residential community which surrounds it. It is the express purpose of this Article to give future owner(s) the flexibility to allow alternate use of recreational amenities in this area so that the community may at all times be maintained as a first class age restricted community consistent with standards then prevailing and in the exclusive discretion of the then present owner which is presently contemplated to be the authorized Homeowners Association for this community.

Anything herein contained to the contrary notwithstanding, the covenants and restrictions contained herein are solely and expressly intended to apply to each phase of the development as and when the major subdivision plat for that phase is filed in the Atlantic County Clerk's office. In no event shall covenants and restrictions with respect to any land contained herein be deemed to be legally effective and enforceable unless and until the subdivision plat for the phase of development in which the land lies shall be recorded in the Atlantic County Clerk's office, except with respect to the covenants and restrictions referenced in Articles 1.00, 2.00 and 4.00, which shall become legally effective and create binding and enforceable covenants running with the land upon the filing of the subdivision plat for the first phase of the Project, subject to the approval of the appropriate governmental agency approving the changes and modifications.

5.00 Provisions of this Instrument to Create Covenant Running with the Land. The present title to the Project, and title to each lot which shall be hereafter conveyed, and the acquisition of title by
each person to a lot shall be conclusively deemed to mean that the acquirer adopts and ratifies the provisions of the Declaration and will comply therewith. The covenants, agreements and restrictions set forth shall run with the land and shall be binding upon Declarant (except as conditioned herein) and all owners of lots within the proposed residential community, and shall run to the benefit of the Township of Galloway as well as each lot owner who acquires title to a lot based upon the common scheme sought to be implemented by the approved plan of development referenced above.

6.00 Modifications/Changes Permitted. Declarant may at any time hereafter modify or amend this Declaration of Covenants and Restrictions to effectuate the following changes, enumerated by way of description and not limitation:

6.01. Easements. Adding to or altering the location, size or purpose of easements and lands for utilities, roads, access, egress or drainage, or to convey or assign such easements to the appropriate governmental authority or utility agency or company, provided however, that none of these activities shall in any way materially alter the size of the land areas affected hereby.

6.07 Effective Date of Amendment. Any amendment to this Declaration will become effective upon the recording of an amendment in the Office of the Clerk of Atlantic County.

7.00 Severability of Provisions Hereof. It is the intention of the Declarant that the provisions of this instrument are severable so that if any provisions, conditions, covenants or restrictions found to be invalid or void under any applicable federal, state or local law, the remainder shall be unaffected thereby.

8.00 Enforcement. Enforcement of this Declaration shall be by any appropriate proceeding in law or equity in any court or administrative tribunal having competent jurisdiction, against any person or persons, firm or corporation violating or attempting to violate or circumvent any provision herein contained, either to restrain or enjoin such violation or threatened violation or to recover
damages. Trial by jury shall not be permitted, and any legal proceeding shall be determined by a court of competent jurisdiction as the finder of facts as well as the ultimate determiner of the applicable law.
