

## NOTICE OF PUBLIC HEARING

THURSDAY, DECEMBER 13, 2012 at 5:45 p.m.  
Passaic County Board of Chosen Freeholders  
to be held at the Passaic County Public Safety Academy  
300 Oldham Road in Wayne, New Jersey 07470

This hearing is going to be held to solicit preliminary comment from the public on the intention of the Board of Chosen Freeholders of the County of Passaic to seek the approval of the New Jersey State House Commission to dispose or divert an approximate one-third acre of Passaic County-owned land immediately adjacent to 100 Dey Road in the Township of Wayne to that adjacent property owner (Vision Research). The purpose of this proposed disposal or diversion is to provide that land owner with much needed parking for its employees and/or visitors. This small parcel, while technically part of the Passaic County-owned Golf Course known as Preakness Valley Golf Course, is several hundred yards from the outskirts of the Course and physically separated from the remainder by Dey Road. This land, however, is part of the County of Passaic's open space inventory and, as such, is subject to the NJDEP Green Acres Program requirements.

The public is invited to physically appear and offer comment and/or provide written comment on this said proposal. The period for the public to provide such comment will commence upon receipt of this Notice and shall remain open until two weeks after the Public Hearing, which will be the close of business on Friday, December 28, 2012.

The said written comments may be submitted to:

Clerk to the Board of Chosen Freeholders of the  
County of Passaic, Administration Building,  
401 Grand Street, Paterson, New Jersey 07505
