ARTICLE II
REPRESENTATIONS, COVENANTS AND WARRANTIES; DISCLAIMERS

Section 201. General Indemnification. The indemnities described in this Section 201 shall be in addition to any liability which the Lessor may otherwise have and to any other rights or claims the Indemnified Parties may otherwise have and shall survive the termination or assignment of this Lease. Such indemnities are provided by the Lessor for the benefit of the Indemnified Parties. The Lessor agrees to indemnify the Indemnified Parties for any of Lessor’s actions or inaction under this Section 201.

(A) Facilities Indemnification. The Lessor covenants and agrees to protect, indemnify, defend and hold harmless the Indemnified Parties from and against all Claims to which the Indemnified Parties may become subject due to (i) any defects existing in the title to the Premises or any of the Facilities, (ii) the failure of the Lessor to have title or such other interest which they purport to have under this Lease in the Premises, and (iii) any easement, encroachment, overlap, boundary line dispute or other matter affecting title to the Premises, which a survey would disclose and which are not shown by the public records. The Lessor agrees that the Lessee may assign its rights at law and equity to cause the Lessee to correct or enforce such defects and other matters affecting title to the Premises or any of the Facilities to the NRPR under the Lease and Agreement without relinquishing its rights under this Lease to such enforcement or to indemnification.
(C) Breach or Default Under Lease and Other Documents. The Lessor agrees to indemnify and hold harmless the Indemnified Parties from and against all claims relating to, arising out of, resulting from, or in any way connected with (i) any breach or default by the Lessor of any of its obligations under this Lease, including the failure of the Lessor to transfer title to any of the Parcels in accordance with the terms of this Lease; and (ii) any action required to be taken by the Indemnified Parties under (a) this Lease; (b) the Resolution; and (c) such further supplemental resolutions as may be adopted in connection with this financing, provided that nothing in this Subsection shall be construed to provide indemnification of an Indemnified Party to the extent such claims arise from the gross negligence or willful misconduct of such Indemnified Party.

(D) Tax and Securities Indemnification. The Lessor agrees to indemnify and hold harmless the Indemnified Parties, the Underwriters (as such term is defined in the Resolution), each director, officer or employee of the Underwriters, and each person, if any, who controls any Underwriters within the meaning of the Securities Act of 1933, as amended, from and against all Claims, to which the Indemnified Parties or the Underwriters, or such controlling person may become subject under federal laws or regulations, or otherwise, insofar as such claims (or actions in respect thereof) arise out of or are based upon (i) the inaccuracy or incompleteness of any representation or any untrue statement or alleged untrue statement of any material fact pertaining to and provided by any of the Original Parties individually or collectively, as set forth in the Preliminary Official Statement or the Official Statement, or any amendment or supplement thereto, or arising out of or based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make such statements not misleading and (ii) actions or inactions of the Lessor or any of the Original Parties, which affect the tax-exempt status of any bonds issued by the Lessee as Tax-Exempt Obligations (as such term is defined in the Resolution).

In case any action shall be brought against any of the Indemnified Parties, Underwriters or director, officer or employee of the Underwriters in respect of which indemnification may be sought against the Lessor under this Section 201, the Indemnified Party shall promptly notify the Lessor in writing and the Lessor shall have the right to assume the investigation and defense thereof, including the employment of counsel. Lessor shall assume the defense of any action against any Indemnified Party, Underwriter or director, officer or employee of the Underwriters and the payment of counsel fees and all other expenses relating to such defense; provided, however, that the Indemnified Parties, Underwriters, or any directors, officers or employees of the Underwriters may retain
In any action and may participate in the defense thereof at the expense of such Indemnified Party. Underwriter or director, officer or employee of the Underwriters, unless (i) the Lessor's payment for the retaining of such counsel has been specifically authorized by the Lessor or (ii) in the event the parties have separate defenses or (iii) there exists a conflict of interest in the representation of all parties by one counsel, in which case such counsel fees shall be borne by the Lessor.

Section 202. Environmental Representations, Covenants and Indemnifications.

(A) The Lessor shall indemnify and hold the Indemnified Parties harmless against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, reasonable costs, reasonable expenses (including without limitation, disbursements and reasonable counsel fees) or disbursements of any kind whatsoever arising from any claim that hazardous or toxic substances have been stored or discharged at any time in, or upon or from any portion of the Premises, or any claim that any portion of the Premises is subject to any remedial action or the imposition of any penalty or other obligation under any Applicable Environmental Law. This provision shall survive the termination of this Lease for whatever reason.

(B) The Lessor represents, to the best of its knowledge, neither the Lessor nor the Premises are in violation of or subject to any existing, pending or threatened investigation or inquiry by any governmental authority pertaining to any Applicable Environmental Law. The Lessor shall not knowingly cause or, to the best of its ability, permit the Premises to be in violation of, or do anything which would subject the Premises to any remedial obligations under any Applicable Environmental Law, and shall promptly notify the Lessee, in writing, of any existing, pending or threatened investigation or inquiry by any governmental authority in connection with any Applicable Environmental Law with regard to the Premises.

(C) In recognition of the fact that no studies have been conducted, the Lessor represents that, to the best of its knowledge, no Hazardous Substances or Hazardous Wastes have been disposed of or otherwise released or discharged on or near to the Premises; with the exception of the possible existence of minimal amounts of cleaning and office materials that may be deemed to be Hazardous Substances or Hazardous Wastes under Applicable Environmental Laws. The Lessee acknowledges that it is aware that the representations made by the Lessor in this Section 202(C) are made without the Lessor having undertaken any examination of the
Premises by qualified environmental experts. Notwithstanding the foregoing, the Lessor acknowledge that nothing contained herein shall constitute a waiver by the Lessor of any liability or of its obligation to indemnify the Lessee in accordance with the terms of this Section 202.

(D) The Lessor has not received any communication, written or oral, from the New Jersey Department of Environmental Protection (the "DEP") concerning any intentional or unintentional action or omission on the Lessor's part resulting in the releasing, spilling, leaking, pumping, pouring, emitting, emptying or dumping of Hazardous Substances or Hazardous Wastes into the waters or onto the lands of the State of New Jersey or into the waters outside the jurisdiction of the State of New Jersey resulting in damage to the lands, waters, fish, shellfish, wildlife, biota, air and other resources owned, managed, held in trust or otherwise controlled by the State of New Jersey with regard to the Premises.

(E) The Lessor represents that, to the best of its knowledge, none of the Premises has or is now being used as a Major Facility, as such term is defined in Water Pollution Control Act.

(F) The Lessor represents that the Premises are not an Industrial Site, as such term is defined in ISRA, and agrees not to conduct or cause or, to the best of its ability, permit to be conducted on the Premises any activity which causes the Premises to be an Industrial Establishment, as such term is defined in ISRA.

Section 203. Special Environmental Provisions. From and after the date of the execution of this Lease, the Lessor shall permit the Lessee and the Lessee's agents, employees and contractors to enter upon the Premises for the purpose of making any reasonable environmental studies, tests and/or inspections, and in connection therewith, the Lessee shall deliver to the Lessor (i) certificates of insurance or duplicate policies naming the Lessor as an additional insured, issued by an insurance company reasonably satisfactory to the Lessor, insuring against claims or damages resulting from injury to persons or property caused by or occurring in the course of such persons' activities on the Premises, (ii) an insurance certificate evidencing that worker's compensation insurance has been provided for any and all persons who will be working on the Premises in connection with the performance of such studies, tests and/or inspections, and (iii) a waiver of all liability as to the Lessor in form satisfactory to the Lessor, by the Lessee and each of the Lessee's agents, employees and contractors who will be performing any work on the Premises.
The Lessee shall restore the Premises to their condition before the Lessee's environmental investigation activities at the Premises cease, at the Lessee's sole cost and expense, and this obligation of restoration shall survive the termination of this Lease.

The Lessor shall provide the Lessee with copies of all documents or writings between it and the DEP, or other governmental agency having jurisdiction, at least 72 hours before transmittal to DEP or other agency, concerning their compliance with ISRA, or otherwise concerning its performance of its obligations under this Lease, and shall provide the Lessee reasonable prior notice of, and opportunity to participate in, any telephone conferences and meetings between representatives of the Lessor and representatives of DEP, or such other agency, concerning the Premises, but the Lessee shall be under no obligation to attend any such discussion or meeting.

Compliance with ISRA shall not limit the Lessor's obligations concerning their covenants, representations and warranties and indemnities to the Lessee otherwise provided under this Lease.

No inspection undertaken by the Lessee or action taken pursuant thereto shall waive, stop, dilute or in any manner limit the Lessor's representations, warranties and covenants in this Lease or bar the enforcement of this Lease by the Lessee.

If, after closing, compliance with ISRA or the undertaking of an environmental investigation or remediation required of the Lessor under this Lease or otherwise, shall require the Lessor, their agents or representatives, to enter upon the Premises, then the Lessee shall permit the Lessor, their agents or representatives, to enter upon the Premises, upon the following terms and conditions:

(a) The Lessor shall give the Lessee reasonable prior notice (not less than 72 hours, except in cases of emergency) of its desire to enter upon the Premises for the purposes and pursuant to the terms of this Lease, which notice shall include the purposes of such entry, its estimated duration, tests, samples or other investigation or action to be pursued during such entry, and the number and identity of persons for whom such entry is sought. The Lessee shall be entitled to refuse to permit, limit or otherwise modify the duration of such entry, the acts or actions to be undertaken therein and the number of persons permitted to enter, as it deems necessary or appropriate in light of its business concerns.
(b) The Lessee and all independent contractors of the Lessee who shall undertake such entry(ies) shall defend and indemnify the Indemnified Parties from and against all bodily injury or property damage in respect of their acts or omissions concerning such entry (whether or not resulting in whole or in part from any act or omission of the Indemnified Parties), and upon the Indemnified Parties’ request to do so, shall provide certificates of insurance or duplicate insurance policies of reputable companies licensed to do business as insurers in New Jersey naming each of the Indemnified Parties as an additional insured and in such amounts, and providing such coverages, as the Indemnified Parties shall deem appropriate to secure the foregoing defense and indemnity.

(c) After any such entry, the Lessee shall restore the Premises to the condition immediately before such entry, which shall include the filling of any areas sampled or excavated with clean fill.

(d) To the extent any material is produced through any sampling or remediation pursuant to this Lease, (i) the Lessee and/or their agents or representatives shall be the generator of such material and shall be listed as such on any manifest or other forms regarding its off-site transport or disposal; (ii) such transport and/or disposal shall be fully paid for by the Lessee; and (iii) the Lessee shall defend and indemnify the Indemnified Parties against any claim, suit or action arising out of such transport or disposal of such matter.

(e) The Indemnified Parties' agents or representatives may accompany the Lessee's agents or representatives while the latter are on the Premises in connection with any such entry and, upon the Indemnified Parties' request to do so, the Lessee shall provide the Indemnified Parties or their agents or representatives with split samples of any samples taken during such entry and any reports relating to such sampling.

Section 204. Representations, Covenants and Warranties of Lessee. The Lessee represents, covenants and warrants as follows:

(a) The Lessee is a duly organized, validly existing public body corporate and politic of the State of New Jersey pursuant to and in accordance with the County Improvement Authorities Law, constituting Chapter 193 of the P complicating Laws of 1960, of the State of New Jersey and the acts amending thereof and supplemental thereto has full and complete power to enter into this Lease, to enter into and to carry out the transactions contemplated of it by the Lease and to carry out its obligations under this Lease; is possessed of full power to own and to hold real and personal
property and to lease the same; and has duly authorized the execution and the delivery of this Lease, and all other agreements, certificates and documents contemplated thereby.

(b) Neither the execution and the delivery of this Lease, nor the fulfillment of or the compliance with the terms and the conditions hereof, nor the consummation of the transactions contemplated thereby conflicts with or results in a breach of the terms, the conditions or the provisions of any restriction, any agreement or any instrument to which the Lessee is now a party or by which the Lessee or its property is bound, constitutes a default under any of the foregoing or results in the creation or the imposition of any lien, charge or encumbrance whatsoever upon any of the property or the assets of the Lessee, except Permitted Encumbrances.

Section 205. Further Assurances of the Parties. The Lessor and Lessee acknowledge and agree that this Lease is being financed with the proceeds of the Bonds. The Lessor and the Lessee agree that they will, from time to time, take such further actions, and execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements thereto and such further instruments, as may reasonably be required for carrying out the expressed intention of this Lease, including securing and preserving the tax-exemption of interest on any Bonds issued by the Lessee as Tax-Exempt Obligations (as such term is defined in the Resolution).

ARTICLE III

ACQUISITION COST

Section 301. Acquisition Cost. On the Funding Date, the Lessee agrees to pay the Basic Rent which represents the entire amount due from it for acquisition of the Leasehold Interest for the Lease Term. Such Basic Rent and the payment of all other amounts due under this Lease shall be paid by the Trustee solely from the proceeds of the Bonds. The failure to pay such Basic Rent or Renewal Rent (as such term is defined in Section 304 hereof) shall not terminate this Lease.

Section 302. Rent to be Unconditional; No Abatement or Setoff. The obligation of the Lessee to pay the Basic Rent shall be absolute and unconditional in all events.
Section 303. Return of Premises. Upon the termination of the Lease in accordance with Section 402A hereof, the Lessee immediately shall surrender possession of the Premises peacefully and properly to the Lessor or its assignee in good and orderly condition and repair (reasonable wear and tear and damage from casualty excepted), together with all alterations, additions and improvements in, to or on the Premises made by Lessee or the NHRFR as permitted hereunder. Prior to the termination of the Lease, the Lessee shall remove all of its property, fixtures, equipment and trade fixtures from the Premises. All property not removed by Lessee shall be deemed abandoned by Lessee. If the Premises shall not be surrendered upon the termination of the Lease, Lessee shall indemnify, defend and hold Lessor harmless against loss or liability resulting from delay by Lessee in surrendering the Premises, including, without limitation any claims made by any succeeding tenant founded on the delay.

Section 304. Rent for Renewal Term. On the date of commencement of the Renewal Term (as such term is defined in Section 402 hereof), Lessee or its assignee shall pay the rent due to the Lessor for the renewal of the Lease (hereinafter the "Renewal Rent"). Said Renewal Rent shall be in the amount of one dollar ($1.00), and represents the entire amount due from the Lessee for the Renewal Term (as such term is defined in Section 402 hereof) and acquisition of the Leasehold Interest for each Renewal Term.

ARTICLE IV
LEASE OF PREMISES; LEASE RIGHTS AND OBLIGATIONS

Section 401. Lease of Premises. The Lessor hereby agrees to lease and to transfer the Premises to the Lessee, and the Lessee hereby agrees to lease and to accept from the Lessor the Premises, in an "as-is" condition, on the terms and subject to the conditions set forth in this Lease.

Section 402. Lease Term. The Initial Lease Term (the "initial lease term") shall commence on the Commencement Date and shall continue for a period of twenty-five (25) years. The Lease Term shall renew automatically upon the expiration of the Initial Lease Term or the Renewal Term (as hereinafter defined) for additional periods of twenty-five (25) years (each such renewal being hereinafter referred to as a "Renewal Term"), but in no event shall the Lease Term exceed ninety-nine (99) years. Upon the
commencement of the Renewal Term, the Lessee or its assignee shall become obligated to pay the Renewal Rent to the Lessor. The Lease Term as used in this Agreement refers to the Initial Lease Term plus any Renewal Terms.

On the Funding Date or at such time as Lessee shall take actual possession of the Premises, it shall be conclusively presumed that the Premises were as of the Commencement Date or the date of such taking of possession, in the condition in which Lessor was required to deliver the Premises under this Lease, unless within 30 days after such date, Lessee shall have given Lessor notice specifying in which respects the Premises were not in satisfactory condition. However, nothing contained in this Section shall be deemed to relieve Lessor from, and Lessor shall perform its obligation to complete, with reasonable speed and diligence, such details of construction, mechanical adjustment and decoration, if any, as Lessor shall be required to perform under this Lease and as shall have been unperformed at the time Lessee took actual possession of the Premises, but Lessee shall be not entitled to any rent abatement on account of any such incomplete work.

Section 402A. Termination of Lessee’s Interest in the Premises.

This Lease shall only terminate upon the expiration of the Lease Term.

Section 403. Premises and Improvements. Title to the Premises shall remain with the Lessor during the Lease Term. Upon the payment and/or redemption of all of the Bonds as provided in the Resolution, the Lessee’s rights and obligations in the Premises and under this Lease shall be assigned to the NHRFR in accordance with the terms of Section 701 hereof for the remainder of the Lease Term. All of Lessee’s interest in the Premises and obligations under this Lease will thereby be terminated. The Lessee or the NHRFR shall have the right at any time and from time to time during the Lease Term at the NHRFR’s cost and expense, to make such additions, enlargements, improvements and expansions to, or repairs, reconstruction and restorations of the Premises, as the NHRFR shall deem to be necessary or desirable in connection with the use of the Premises, in accordance with the terms of the Lease and Agreement and Section 501 hereof.

Section 404. Liens. Neither the Lessee nor the Lessor shall, directly or indirectly, create, incur, assume or suffer to exist any mortgage, pledge, lien, charge, encumbrance or claim on or with respect to the Premises. Except as expressly provided in
Section 405. Care and Use of the Premises. Except as otherwise specifically set forth herein, the Lessee, at its sole expense, shall, at all times, shall maintain, repair, keep, and repair and keep the property in good operating condition, and shall not permit any damage to such property to occur. The Lessee shall be responsible for any and all property damage, injury or death to any person, or any property at the Premises, resulting from the Lessee's use or occupation of the Premises, unless such damage, injury or death is caused by the Act of God, or the act, omission or negligence of any persons or organizations other than the Lessee, its agents, employees, or invitees.

Section 406. Reversion and Relinquishment of the Premises. Upon the termination of this Lease, the Lessee shall deliver the Premises in good condition and repair, normal wear and tear excepted, and shall remove all of its personal property from the Premises. The Lessee shall not make any improvements to the Premises, unless approved in writing by the Landlord. At the expiration of this Lease, the Lessee shall remove all of its personal property from the Premises, and deliver the Premises in good condition and repair, normal wear and tear excepted.

Section 407. Lessee's and Landlord's Responsibilities for Injury. The Lessee shall indemnify, defend and hold harmless the Landlord, its agents, employees, and invitees from and against any and all claims, actions, suits, costs, damages, and liabilities arising out of or in connection with the Lessee's use or occupation of the Premises, except to the extent caused by the act, omission, or negligence of the Landlord, its agents, employees, or invitees.

This Article 4 shall take effect immediately upon its adoption, and shall remain in full force and effect until terminated as provided herein.
Section 406. Transfer of Fee Title. There may exist restrictions on Parcel 2 that prohibit or restrict the transfer of fee title thereto. These restrictions are based on an allegedly improper designation of Parcel 2 as subject to a Green Acres Grant made to Lessor. Lessor agrees to use its best efforts to timely pursue such administrative or legal remedies available to it to remove the restrictions from Parcel 2. When such restrictions have been removed, Lessor agrees to transfer fee title to Parcel 2 to Lessee for no additional consideration beyond the Basic Rent paid pursuant to this Lease. If Lessor does not use its best efforts to timely pursue the remedies detailed herein, Lessee may institute suit to compel same at the direction of the NHFR. Any costs, legal fees or other expenses incurred by Lessee in filing and prosecuting such suit shall be paid by Lessor.

ARTICLE V
CONSTRUCTION OF PREMISES

Section 501. Reservation of Rights. The Lessor hereby reserves the right to approve any structural changes or improvements to the Premises, which approval shall not be unreasonably withheld.

ARTICLE VI
RESERVED

ARTICLE VII
ASSIGNMENT AND SUBLÉASING OF PREMISES

Section 701. Assignment. This Lease and any or all of the Lessee's rights, title and interest hereunder including, without limitation, the Lessee's rights with respect to the Premises except for the Reserved Rights (collectively referred to herein as the "Lease Rights") may be assigned or subleased by the Lessee to the NHFR or its successor or designee without the written consent of the Lessor. Such assignment to the NHFR, its successor or designee shall immediately become effective, without any additional action required to be undertaken by any of the parties hereto, upon the payment and/or redemption of all of the Bonds issued by the Lessor to fund payment of the Basic Rent for
the Premises. In the event that the NRFR shall cease to exist without successor or designee, the Lessee may assign its interest in this Lease and to the Premises to such entities as shall be providing fire protection, rescue or emergency services to the Lessor. Following such assignment, the NRFR or such other assignee shall be responsible for all obligations under this Lease and the Lessee shall be under no further obligations with respect to this Lease, except as to obligations that have accrued to the date of such assignment. Notwithstanding any provision to the contrary, the Lessee shall retain its right to indemnification as provided by the terms of this Lease following such assignment.

Section 702. Sublease. The Lessor agrees that the Premises shall be sub-leased by the Lessee to the NRFR pursuant to the terms of the Lease and Agreement.

ARTICLE VIII

EVENTS OF DEFAULT AND REMEDIES

Section 801. Events of Default. An Event of Default hereunder means the occurrence of any one or more of the following events:

(a) The Lessor fails to perform or to observe any covenant, condition or agreement to be performed or observed by it hereunder and such failure is not cured within 30 days after written notice thereof being served upon it; provided, however, that if such observance or performance requires work to be done, actions to be taken or conditions to be remedied, which by their nature cannot reasonably be accomplished within such thirty (30) day period, if such observance or performance shall be commenced within such period and shall be proceeding diligently with respect thereto, then the fact that the same shall not have been corrected during such period shall not constitute an Event of Default, provided further that such default shall be cured within ninety (90) days of such notice;

(b) The discovery by the Lessor or the Lessee that any material statement, representation or warranty made by any party in this Lease, or in any writing delivered by either party pursuant hereto or in connection therewith is false, misleading or erroneous in any material respect.

Section 802. Reserved.
Section 303. Remedies Upon an Event of Default.
Whenever any Event of Default shall have happened and shall be continuing, either party hereto shall have the right, at its option and without any further demand or notice to pursue all available legal or equitable remedies available to enforce the terms hereof.

Section 304. Election of Remedies; No Waiver of Elecated Remedies. No failure or delay on the part of either party to this Lease to exercise any right or remedy so provided for herein shall operate as a waiver thereof, nor shall any single or partial exercise by either party of any right or remedy so provided hereunder preclude the exercise of any other right or further exercise of any other right or remedy provided hereunder.

Section 305. No Additional Waiver Implied by One Waiver. In the event any agreement contained in this Lease should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder, and shall not be construed to be an implied term thereof or a course of dealing between the parties hereto.

ARTICLE IX
RISK OF LOSS; INSURANCE

Section 301. Risk of Loss. To the extent the entire risk of loss is not otherwise assumed by the NRPR under the Lease and Agreement, the Lessor hereby assumes the entire risk of loss of the leased Premises and every portion thereof from any and every cause whatsoever, including, but not limited to, (a) damage to or destruction of the Premises or any portion thereof by fire or any other casualty and (b) the taking of title to or the temporary use of the Premises or any portion thereof or of the leasehold interest of the Lessor or the Lessee therein under the exercise of the power of eminent domain by any governmental body de luxe or de facto or by any person, firm or corporation acting under governmental authority. In the event of any such loss, the Lessor at its expense and at the Lessor’s option pursuant to Section 304 either will (a) repair the Premises or such portion thereof, returning it to its previous condition or (b) replace it with a like structure or portion thereof in good operating condition and of equivalent value that shall become the Premises, subject to this Lease. Nothing in this Section shall alter the rights of the Lessee under
this Lease, including the right to indemnification as provided in Article IX hereof.

Section 902. **Insurance.** The NHRFR shall maintain or shall cause to be maintained, throughout the Lease Term, insurance policy or policies on the Parcels as provided by the terms of the Lease and Agreement. In the event the NHRFR shall fail to maintain or cause to be maintained any of the insurance policies required to be maintained under the Lease and Agreement, then, upon notice from the Lessee, the Lessor shall immediately maintain or cause to be maintained such insurance policies for the Premises in accordance with the provisions of the Lease and Agreement for the remainder of the Lease Term.

Section 903. **Title Insurance.** With respect to the Premises, the Lessor shall, at the Lessor’s sole cost and expense, obtain leasehold Title Insurance covering the Premises, leased to Lessee, which leasehold Title Insurance shall evidence good and marketable title in the Lessor to such Premises subject only to Permitted Encumbrances as to the title to the Premises. Lessee agrees that the Lessor shall not be required to obtain surveys of the Premises prior to the execution of this Lease; provided that surveys are obtained on all Premises subsequent to the execution of this Lease at the Lessor’s expense.

Section 904. **Proceeds of Insurance and Condemnation.** The net proceeds of condemnation and insurance carried pursuant to the provisions of Article IX, shall be applied in accordance with the terms of the Lease and Agreement, and the Lessor agrees to comply with such terms.

Section 905. **Cooperation of Lessor.** The Lessor shall cooperate fully with the Lessee or its assignee or sublessee in filing any proof of loss with respect to any insurance policy and in the prosecution or in the defense of any prospective or pending condemnation proceeding with respect to the Premises or any part thereof. To the extent that the expense of filing any such proof of loss or of prosecuting or defending any such proceeding is not assumed by the NHRFR under the Lease and Agreement, then the Lessor shall be solely responsible for any and all of such expenses. In no event will the Lessor voluntarily settle or consent to the settlement of any proceeding arising out of any insurance claim or any prospective or pending condemnation proceeding with respect to the Premises or any part thereof without the written consent of the Lessee or its assignee or sublessee.
Section 906. Waiver of Subrogation. The parties hereto mutually covenant and agree that each party, in connection with insurance policies described in this Lease, or in connection with insurance policies which they obtain insuring such insurable interest as they may have in their own properties, whether personal or real, shall expressly waive any right of subrogation on the part of the insurer against the parties as the same may be applicable, which right to the extent not prohibited or violative of any such policy is hereby expressly waived, and the parties each mutually waive all right of recovery against each other, their agents, or employees for any loss, damage or injury of any nature whatsoever to property or person for which either party has insurance coverage which completely covers such loss, damage or injury.

Section 907. Uninsured Loss. In the event of any uninsured loss, the Lessor at its expense shall repair the Premises or such portion thereof, returning it to its previous condition.

ARTICLE X

Section 1003. Amendments, Changes and Modifications. This Lease may be amended only by written amendment authorized and executed by the Lessee and the Lessor and upon the terms and conditions for amendments to the Resolution as specified therein.

Section 1004. Further Assurances and Corrective Instruments. Section 1012. Time is of the Essence. Time is of the essence for this Lease and no covenant or obligation hereunder to be performed may be waived except by written consent, and waiver of any such covenant or obligation or a forbearance to invoke any remedy on any occasion shall not constitute or be treated as a waiver of such covenant or obligation or any other covenant or obligation as to any other occasion and shall not preclude the Lessor from invoking such remedy at any later time prior to the cure of the condition giving rise to such remedy. Each of the rights hereunder is cumulative to its other rights hereunder and not alternative thereto.

Section 1013. No Personal Liability or Accountability. No covenant or agreement contained in this Lease shall be deemed to be the covenant or the agreement of any present, past or future officer, agent or employee of the Lessee or the Lessor, in his or her individual capacity, and neither the officers, the agents or the employees of the Lessee or the Lessor, nor any official executing this Lease shall be liable personally on this Lease or be subject to any personal liability or accountability by reason of any transaction or activity relating to this Lease.
