This Notice is related to Federal assistance provided in response to the Presidentially-declared disaster, Superstorm Sandy. This notice shall satisfy two separate but related procedural requirements for activities to be undertaken by New Jersey Department of Community Affairs (DCA).

REQUEST FOR RELEASE OF FUNDS

On or about November 30, 2020, the DCA will submit a request to HUD for the release of Federal funds under the Community Development Block Grant Program (CDBG) pursuant to the Disaster Relief Appropriations Act of 2013 (Public Law 113-2, approved January 29, 2013) for the Blue Acres program. DCA expects to fund the project using approximately \$3,000,000 of Blue Acres funds.

PROJECT DESCRIPTION

Project Title: Blue Acres – Pemberton Township

The project involves the following applications at the following addresses within Pemberton Township, New Jersey.

- 0329-0001: 4 North Road
- 0329-0002: 10 Creek Lane

- 0329-0009: 8 Creek Lane

The proposed project would acquire residential properties on a voluntary basis and demolish, remove, and dispose of all man-made features on the properties, such as dwellings, foundations, sheds, garages, fences, and driveways. Wells and septic systems would be abandoned in place

and all utilities would be disconnected. The properties would be graded and left in a stabilized condition (i.e. planted with native grasses or other approved native vegetative cover that will support soil stability). The acquired properties would be permanently preserved as open space and serve as natural buffers against future storms and floods. The total estimated project cost is \$3,000,000.
