Dear Interested Party:

The State Review Board for Historic Sites meeting scheduled to take place on March 26, 2020 will be postponed until further notice. This decision comes from an abundance of caution regarding the risks implied by the spreading COVID-19 virus and was made pursuant to CDC guidance and emerging state policy to slow the spread of the COVID-19 virus.

Due to the quickly changing public health crisis, we are unable to set a new date at this time. Please be assured that if you have received this letter, you will also receive written notification of the new meeting date once it has been set. Or, if you prefer, you can monitor the Historic Preservation Office web site (https://www.state.nj.us/dep/hpo/identify/nrsr.htm) for updated information. We appreciate your patience and cooperation in these unprecedented times.

Sincerely,

Katherine J. Marcopoul
Administrator
