Preparing the Guidelines for Architectural Survey was a collective effort of many professionals. These Guidelines could not have been developed without the knowledge, expertise, perseverance and dedication of all involved.

The Peer Review Committee was organized to review and comment on the Guidelines. In two days of meetings, it provided excellent guidance to the HPO on refining the Guidelines. Credit and thanks are extended to its members:

- **CHARLES ASHTON**, New Jersey Department of Transportation
- **BARRY BRADY**, Pinelands Commission
- **PHIL CORRELL**, New Jersey Coastal Heritage Trail
- **TOM D'AMICO**, Somerset County Planning Board
- **DAVID KOENIG**, NJ Transit
- **MARY KRUGMAN**, Representing Preservation New Jersey
- **LINDA MCTEAGUE**, Union County
- **PATRICK O'BANNON**, Kise Straw & Kolodner
- **RICK PORTER**, The RBA Group
- **LYNN RAKOS**, United States Army Corps of Engineers
- **MARGARET WESTFIELD**, Representing New Jersey Historic Sites Council
- **ULANA ZAKALAK**, Zakalak Associates
- **NANCY ZERBE**, Nancy L. Zerbe Historic Preservation Consultants Inc.

Working together, the HPO staff and the Peer Review Committee have created a useful tool for conducting surveys in New Jersey.
