SALARY: (X98) $110,000.00 - $120,000.00

OPENING DATE: February 1, 2019

CLOSING DATE: February 15, 2019

EXISTING VACANCIES: 1 (One)

WORKWEEK: NL (35-Hour) Workweek

PROGRAM/LOCATION: DEPARTMENT OF ENVIRONMENTAL PROTECTION
Office of the Associate Commissioner
Economic Analysis
401 E. State Street – 7th Floor
Trenton, NJ 08625

DESCRIPTION: Positions in this title have a very high degree of independence, trustworthiness, and have an impact on the functioning of the Department. These positions are typically guided by policy at the Department level. The supervision given is typically general and guided by procedure. The supervision received is typically executive and general in nature.

SPECIFIC TO THE POSITION: Perform comprehensive economic analysis related to environmental protection and natural capital, including water, air, land, and renewable energy resources. Using economic principles and statistical techniques, assess and quantify benefits, costs, incentives, and impacts of environmental policy options.

• Conduct research and develop models, as needed, relating to valuing natural capital.
• Gather, evaluate and summarize literature and case studies pertaining to economic analysis or impact of policy decisions.
• Oversee and develop economic analysis reports to inform Department policy decisions.
• Supervise staff to assist with and inform regulatory economic impact analysis.
• Analyze cost and benefits associated with existing and potential environmental policy.
• Specifically, study or develop policy recommendations that relate to:
  • Externalities, or unintentional effects on the environment or human health.
  • The economics of new initiatives including incentives, new industries and other environmental technologies.

REQUIREMENTS:

EDUCATION: Graduation from an accredited college or university with a Bachelor’s degree. NOTE: All college degrees (both U.S. and non-U.S.) and/or transcripts from a college or university must already be evaluated for accreditation by the closing date of the posting. Failure to comply with this requirement may result in ineligibility.

EXPERIENCE: Positions at this level devise improvement plans for the operation of the Unit; approve the work of others; establish policy on the provision of services; direct the administration of programs; promote the development of agency services; determine staffing needs; direct or coordinate activities and programs between or within agencies; evaluate the administration, objectives, efficiency, and effectiveness of programs and services; plan implementation of projects or programs.

LICENSE: Appointees will be required to possess a driver's license valid in New Jersey only if the operation of a vehicle, rather than employee mobility, is necessary to perform the essential duties of the position.

RESIDENCY: All persons newly hired on or after September 1, 2011 have one year from the date of employment to establish, and then maintain principal residence in the State of New Jersey subject to the provisions of N.J.S.A. 52:14-7 (L.2011, Chapter 70), also known as the “New Jersey First Act”.

AUTHORIZATION TO WORK: Selected candidates must be authorized to work in the United States per the Department of Homeland Security, United States Citizenship and Immigration Services Regulations. NOTE: The State of New Jersey does not provide sponsorship for citizenship to the United States.

NOTE: Interviews will be granted based on the cover letter, resume and credentials submitted in response to this notice. Applicants may be required to provide a copy of their transcripts at time of interview.

NOTE: If you have established Veteran’s Preference with the Department of Military and Veterans Affairs, please submit proof of this along with your resume.

SCOPE OF ELIGIBILITY: Open to candidates who meet the above requirements.

NOTE: Those who have applied to this posting number already do not need to reapply.
