

New Jersey Clean Marina Program Pledge

This marina has a stake in protecting New Jersey's water resources, enhancing fish and wildlife habitat, and promoting environmentally sound boating practices. As the marina owner/ operator my actions demonstrate my commitment to affect positive change in my marina including a reduction in the sources and impacts of nonpoint source pollution. As a designated "New Jersey Clean Marina" this facility will be recognized as an environmentally-responsible business.

As the initial step toward achieving the distinction as a "New Jersey Clean Marina"
and on behalf of

(Name of marina or boatyard)

I pledge my commitment to keeping New Jersey's water and air free of harmful chemicals,
excess nutrients, and debris.

Within one year of the date of my pledge I will identify opportunities and implement practices to control pollution associated with activities occurring at this facility, enhance the surrounding environment, and encourage responsible boating practices as recommended in the New Jersey Clean Marina Guidebook.

I am dedicated to pursuing certification as a New Jersey Clean Marina. This pledge establishes my intent to voluntarily become a partner in the effort to protect and enhance New Jersey's water resources.
