ATLANTIC-BRIGANTINE BOULEVARD
SHORELINE STABILIZATION

CITY OF BRIGANTINE
ATLANTIC COUNTY, NEW JERSEY
SURVEY NOTES:

1. All directions are given as True North and the coordinate system is based on U.S.G.S.
2. The location of the points was determined using a 1st order geodetic survey on the project. Each point was checked for accuracy using a total station.
3. Points and geodetic survey equipment were checked for accuracy. Survey a point and check it for accuracy. Survey the point in the direction shown in the diagram.
4. The survey was not made as part of this project. The survey was made by another party.
5. Surveyed points and distances are subject to error. Surveyed points should be checked for accuracy.
6. The survey was not made as a part of this project. The survey was made by another party.
