Any relationships subject to this provision shall be

reported in writing forthwith to the Executive Commission on Ethical Standards, which may grant a waiver of this restriction upon application of the State officer or employee or special State officer or employee upon a finding that the present or proposed relationship does not present the potential, actuality or appearance of a conflict of interest.

- D. No Licensee shall influence, or attempt to influence or cause to be influenced, any State officer or employee or special State officer or employee in his official capacity in any manner which might tend to impair the objectivity or independence of judgment of said officer or employee.
- E. No Licensee shall cause or influence, or attempt to cause or influence, any State officer or employee or special State officer or employee to use, or attempt to use, his official position to secure unwarranted privileges or advantages for Licensee or any other person.
- F. The provisions cited above in Subparagraphs 29(A) through 29(E) shall not be construed to prohibit a State officer or employee or special State officer or employee from receiving gifts from or contracting with Licensee under the same terms and conditions as are offered or made available to members of the general public subject to any guidelines the Executive Commission on Ethical Standards may promulgate.

### **30. SOLICITATION**

### **33. INDEMNIFICATION**

- A. Licensee shall, for itself, its successors, and assigns, assume all risk and liabilities arising out of the management, maintenance, and operation of the License and covenants to defend, protect, indemnify, and save harmless Department and each and every of its officers, agents, servants, employees, successors, and assignees and hereby releases Department and each and every of its officers, agents, servants, employees, successors, and assignees from and against any and all such liabilities, losses, damages, costs, expenses (including all attorneys' fees and expenses), causes of action, suits, claims, demands, or judgments of any nature arising from the following:

- C. It is expressly agreed and understood that any approval by Department of Licensee's operation of the Licensed Premises shall not operate to limit the obligations of Licensee assumed pursuant to the Agreement.
- D. Licensee's liability pursuant to this Paragraph shall continue after the revocation or expiration of the Agreement with respect to any liability, loss, cost, expense (including all attorneys' fees and expenses), damage, cause of action, suit, claim, demand, or judgment resulting from actions or inactions occurring prior to such revocation or expiration.
- E. Licensee's indemnification obligations are not limited by, but are in addition to, the insurance obligations contained in the Agreement.

#### **34. INSURANCE**

- A. Licensee shall, at its sole cost and expense, obtain and maintain at all times during each Term of the Agreement, insurance of the types and in the amounts hereinafter provided:
- (i) Commercial General Liability Insurance as broad as that provided by the standard basic, unamended, and unendorsed occurrence coverage forms currently in use in the State of New Jersey, which shall not be circumscribed by any endorsement limiting the breadth of coverage. Limits of liability shall be maintained at the level of One Million (\$1,000,000) Dollars per occurrence for bodily injury and property damage and a Two Million (\$2,000,000) Dollars annual aggregate. This can be accomplished with a combination of Commercial General Liability and Commercial Umbrella policies; and

Said insurance shall be in an amount not less than the full value of such structures, fixtures, equipment, property, and contents. The value of said structures, fixtures, equipment, property, and contents shall be determined by Licensee using whatever procedures Licensee considers appropriate. Said policy shall

be written so as to provide that the insurer waives all right of subrogation against Department in connection with any loss or damage covered by the policy; and

Failure to provide a certificate(s) of insurance at the time of Licensee's return of the Agreement or any subsequent Renewal Agreement shall result in the non-execution of the Agreement or subsequent Renewal Agreement by Department, as applicable. Licensee also shall provide Department with a valid certificate(s) of renewal of the insurance within thirty (30) calendar days of the expiration of the policies so that Department is continuously in possession of current documentation that Licensee has obtained and is maintaining, in full force and effect, all insurance required under the Agreement. Licensee also shall, upon request, provide Department with copies of each policy required under the Agreement, certified by the agency or underwriter to be true copies of the policies provided by Licensee.
- D. Licensee expressly understands and agrees that any insurance protection required by the Agreement shall in no way limit Licensee's indemnification obligations assumed in the Agreement and shall not be construed to relieve Licensee from liability in excess of such insurance coverage, nor shall it preclude Department from taking such other actions as are available to it under any provision of the Agreement and as otherwise provided for at law or in equity.
- E. In the event that: (i) Licensee fails or refuses to renew any of its insurance policies or to provide Department with timely certificate(s) of insurance showing that Licensee is maintaining insurance coverage in full force and effect to the extent required by the Agreement, or (ii) any policy is canceled, terminated, or modified so that the insurance does not meet the requirements of the Agreement, Department shall consider Licensee to be in material breach of the Agreement, subject to Suspension of Operations and/or Revocation in accordance with the terms and conditions set forth in Paragraphs 8 and 9.

- F. The limits of insurance policies described in this Paragraph shall be reviewed by Department and Licensee from time to time. Licensee shall increase the limits of said policies to meet changed circumstances including, but not limited to, changes in the relevant U.S. Bureau of Labor Statistics Consumer Price Index and changes indicated by the course of plaintiffs' verdicts in personal injury actions.

Licensee shall immediately forward a copy of the notice of non-compliance, summons, or notice of violation to Department, and Licensee shall have such amount of time to correct said violation as is prescribed in the notice or summons. If such violation is not cured within the prescribed period or any extension thereof, it shall be deemed a material breach of the Agreement, and Department may suspend Licensee's operation of all or the affected portion of the Licensed Premises in accordance with the terms and conditions set forth in Paragraph 8, and/or revoke the Agreement in accordance with the terms and conditions set forth in Paragraph 9.

- E. Licensee shall indemnify Department against all liabilities, claims, losses, damages, costs, expenses (including all attorneys' fees and expenses), causes of action, suits, demands, judgments, or payments of any kind arising from Licensee's failure or omission to comply with any such insurance policy, license, permit, certification, authorization, approval, or any applicable federal or State statute, law, rule, ordinance, regulation, or order.

**36. SERVICE PERFORMANCE WITHIN U.S.**

Licensee agrees, in accordance with Executive Order 129 (2004) and N.J.S.A. 52:34-13.2 (P.L. 2005, c. 92), that all services performed under the Agreement shall be performed within

the United States. In the event that all services performed under the Agreement shall not be performed within the United States, Licensee shall send Department a letter that states with specificity the reasons why the services cannot be so performed. Any such letter shall require review and approval pursuant to N.J.S.A. 52:34-14.2 prior to execution of the Agreement or the delivery of the services which will not be performed within the United States. Unless previously approved by Department, a shift to performance of services outside the United States during any Term of the Agreement shall be deemed a material breach, subject to Suspension of Operations and/or Revocation in accordance with the terms and conditions set forth in Paragraphs 8 and 9.

**37. PUBLIC USE**

Licensee's operation and the Agreement shall not be construed so as to affect the privileges accorded to the public's use of the Area, or to restrain or prevent individual persons or groups of persons from bringing their own bicycles, or bicycles rented from other bicycle operations outside the Area, into the Area.

**38. NO DISCRIMINATION**

#### 40. PAYMENT ABATEMENT

**Licensee acknowledges that the Area is subject to unscheduled closures for reasons of health, public welfare, public safety, and government closures. Licensee covenants that the decision of the Commissioner of Department, relative to the bidding process and/or award of the Agreement, as well as the performance of the terms and conditions of the Agreement, shall be final and conclusive.

#### 42. CORPORATION

- A. For any Licensee that presents itself or represents itself as a corporation operating or doing business in the State of New Jersey, all papers of incorporation, including authorized agents for receipt of legal documents, shall be provided to Department, along with renewals, changes, or any other documents that in any way affect the current or future status of Licensee as a legal corporation.

Licensee shall be prohibited from subcontracting any part or all of the Agreement.

**44. ASSIGNMENT OF AGREEMENT OR SALE OF INTERESTS**

The License is personal to Licensee. Licensee shall not assign the Agreement or sell controlling interest in the Agreement. Any attempt to assign or sell controlling interest in the License shall be a material breach of the Agreement, subject to Suspension of Operations and/or Revocation in accordance with the terms and conditions set forth in Paragraphs 8 and 9.

**45. PAY TO PLAY RESTRICTIONS AND CONTRIBUTION DISCLOSURE**

- A. In order to safeguard the integrity of State government procurement by imposing restrictions to insulate the negotiation and award of State contracts from political contributions that pose the risk of improper influence, purchase of access, or the appearance thereof, the Legislature has enacted P.L. 2005, c. 51 (codified at N.J.S.A. 19:44A-20.13 to -20.25) (Chapter 51) on March 22, 2005, effective retroactive to October 15, 2004, superseding the terms of Executive Order 134 (2004). In addition, on September 24, 2008, Executive Order 117 was issued and made effective on November 15, 2008 (EO 117) which set forth additional limitations on the ability of executive branch agencies to contract with business entities that have made or solicited certain contributions.

Chapter 51 and EO 117 restrict business entities which agree to certain contracts or agreements with the State from making or soliciting certain contributions. Compliance with Chapter 51 and EO 117 is a material term and condition of the Bid Specifications and Agreement, and binding upon the parties thereto upon the entry of all applicable contracts.

Thus, pursuant to the requirements of Chapter 51 and EO 117, it shall be a material breach of the terms of the Agreement, subject to Suspension of Operations and/or Revocation in accordance with the terms and conditions set forth in Paragraphs 8 and 9, for Licensee to do any of the following during any Term of the Agreement:

- (i) make or solicit a contribution in violation of Chapter 51 or EO 117;
  - (ii) knowingly conceal or misrepresent a contribution given or received;
  - (iii) make or solicit contributions through intermediaries for the purpose of concealing or misrepresenting the source of the contribution;
  - (iv) make or solicit any contribution on the condition or with the agreement that it will be contributed to a campaign committee or any candidate or holder of the public office of Governor, or of Lieutenant Governor, or to any State, county, or municipal party committee, or any legislative leadership committee;
  - (v) engage or employ a lobbyist or consultant with the intent or understanding that such lobbyist or consultant would make or solicit any contribution, which if made or solicited by Licensee itself, would subject Licensee to the restrictions of Chapter 51 or EO 117;
  - (vi) fund contributions made by third parties, including consultants, attorneys, family members, and employees;
  - (vii) engage in any exchange or contributions to circumvent the intent of Chapter 51 or EO 117; or
  - (viii) directly or indirectly, through or by any other person or means, do any act which would subject Licensee to the restrictions of Chapter 51 or EO 117. It is Licensee's continuing obligation to report any contributions it makes during any and all Term(s) of the Agreement.
- B. Licensee shall submit the Two-Year Chapter 51/Executive Order 117 Vendor Certification and Disclosure of Political Contributions Form, certifying that no contributions prohibited

by Chapter 51 have been solicited or made by Licensee and reporting all contributions Licensee made during the preceding four years to any political organization organized under 26 U.S.C. § 527 of the Internal Revenue Code that also meets the definition of a “continuing political committee” within the meaning of N.J.S.A. 19:44A-3(n) and N.J.A.C. 19:25-1.7. The required Certification and Disclosure Form can be found in the Prequalification Application, which Licensee is required to complete, and submit, with any bid. The Prequalification Application is available at: [http://www.njparksandforests.org/parks/business\\_ops/current\\_concession.htm](http://www.njparksandforests.org/parks/business_ops/current_concession.htm). If Licensee has a currently valid Two-Year Certification and Disclosure Form, it may be submitted instead of a new form.

The State Treasurer or his designee shall review the Disclosures submitted by Licensee pursuant to this Subparagraph, as well as any other pertinent information concerning the contributions or reports thereof by Licensee prior to award or during the term of the Agreement. If the State Treasurer determines that any contribution or action by Licensee violated Chapter 51 and EO 117, the State Treasurer shall disqualify Licensee from award of the Agreement. If the State Treasurer or his designee determines that any contribution or action constitutes a breach of the Agreement that poses a conflict of interest pursuant to Chapter 51 or EO 117, the State Treasurer shall disqualify Licensee from award of the Agreement.

- C. Licensee shall submit the Chapter 271 Vendor Certification and Political Contribution Disclosure Form, disclosing its political contributions within the immediately preceding twelve (12) month period. The required Certification and Disclosure Form can be found in the Prequalification Application, which Licensee is required to complete, and submit, with any bid. The Prequalification Application is available at: [http://www.njparksandforests.org/parks/business\\_ops/current\\_concession.htm](http://www.njparksandforests.org/parks/business_ops/current_concession.htm).

No prospective Licensee will be precluded from being retained by virtue of the information provided in the Chapter 271 Vendor Certification and Political Contribution Disclosure Form, provided the form is fully and accurately completed.

- D. Licensee is required, on a continuing basis, to report any contributions and solicitations Licensee makes during any Term of the Agreement at the time any such contribution or solicitation is made. Failure to do so is a breach of the Agreement, subject to Suspension of Operations and/or Revocation in accordance with the terms and conditions set forth in Paragraphs 8 and 9.
- E. Licensee shall file an annual disclosure statement on political contributions with the New Jersey Election Law Enforcement Commission (ELEC) pursuant to N.J.S.A. 19:44A-20.27 (P.L. 2005, c. 271, section 2) if Licensee receives contracts in excess of Fifty Thousand (\$50,000.00) dollars from public entities in a calendar year. It is Licensee’s responsibility to determine if filing is necessary. Failure to so file can result in the imposition of financial penalties by ELEC. Additional information about this requirement is available from ELEC at 888-313-3532 or at [www.elec.state.nj.us](http://www.elec.state.nj.us).
