Map adapted by the **New York-New Jersey Trail Conference** from *North Jersey Trails*, a two-map set that includes elevation contours, is waterproof and tear-resistant, and shows more than 275 miles of trails within 16 parks in northern New Jersey.

Map funded in part with a national Recreational Trails Program grant in cooperation with the New Jersey State Park Service.

The **Trail Conference** supports parks by mobilizing thousands of outdoor-loving volunteers who create, maintain, and protect 2,000 miles of public trails. Support trails and the work of our volunteers by **purchasing** great trail maps, **volunteering** on the trails, or simply **visiting** nynytc.org for more info.
