FIRST AFFIRMATIVE DEFENSE

The Third-Party Complaint is barred in whole or in part as it fails to state a cause of action against Third-Party Defendant upon which relief can be granted.

SECOND AFFIRMATIVE DEFENSE

Third-Party Defendant is not a discharger or a person in any way responsible for a discharge under N.J.S.A. 58:10-23.11 *et seq.* ("Spill Act") with respect to the Newark Bay Complex and Passaic River.

THIRD AFFIRMATIVE DEFENSE

Claims of Third-Party Plaintiffs, their agents, employees, successors and assigns ("Third-Party Plaintiffs") are barred, in whole or in part, by the statutory defenses to liability provided by the Spill Act and Water Pollution Control Act, N.J.S.A. 58:10A-1 *et seq.* ("WPCA").

FOURTH AFFIRMATIVE DEFENSE

Third-Party Plaintiffs have no Spill Act claim against Third-Party Defendant because they have not cleaned up and/or removed a discharge of hazardous substances within the meaning of the Spill Act.

FIFTH AFFIRMATIVE DEFENSE

Third-Party Plaintiffs' claims are barred by the entire controversy doctrine.

SIXTH AFFIRMATIVE DEFENSE

Some or all of Third-Party Plaintiffs do not have standing to sue.

SEVENTH AFFIRMATIVE DEFENSE

The damages sought by Third-Party Plaintiffs are wholly speculative, conjectural, unreasonable, excessive and/or arbitrary and capricious.

EIGHTH AFFIRMATIVE DEFENSE

Third-Party Defendant cannot be liable for or be required to pay Third-Party Plaintiffs' damages that arise out of conduct lawfully undertaken in compliance with permits or other approvals issued by relevant government agencies or departments, including those of New Jersey and/or the United States and/or in compliance with applicable laws, regulations, rules, orders, ordinances, directives and common law, and other requirements of all foreign, federal, state and local government entities ("applicable Environmental Laws").

NINTH AFFIRMATIVE DEFENSE

The Third-Party Complaint is barred and/or is constitutionally impermissible to the extent that it seeks to impose retroactive liability.

TENTH AFFIRMATIVE DEFENSE

Third-Party Plaintiffs' Complaint is barred to the extent that it seeks relief for damages incurred prior to the effective date of the Spill Act.

ELEVENTH AFFIRMATIVE DEFENSE

At all relevant times, Third-Party Defendant complied with all applicable Environmental Laws and industry standards, and otherwise conducted itself reasonably, prudently, in good faith, and with due care for the rights, safety and property of others.

TWELFTH AFFIRMATIVE DEFENSE

The claims asserted against Third-Party Defendant in the Complaint are barred because, at all relevant times, Third-Party Defendant exercised due care with respect to hazardous substances, if any, that may have been handled at the subject property, took precautions against foreseeable acts or omissions of others and the consequences that could reasonably result from such acts or omissions, and because any release or threat of release of any hazardous substances, if any, and any costs or damages resulting therefrom, were caused solely by the negligence, acts or omissions of third parties over whom Third-Party Defendant had no control, whether by, in whole or part, contract or otherwise, or any duty to control, including, without limitation, the State of New Jersey and its agencies and officials, and the United States and its agencies and officials.

THIRTEENTH AFFIRMATIVE DEFENSE

The Third-Party claims are barred in whole or in part by the doctrine of preemption.

FOURTEENTH AFFIRMATIVE DEFENSE

Third-Party Plaintiffs' claims against Third-Party Defendant are barred, in whole or in part, by the applicable Statute of Limitations, Statute of Repose, and/or the equitable doctrine of laches.

FIFTEENTH AFFIRMATIVE DEFENSE

Third-Party Plaintiffs' claims are barred in whole or in part by the doctrines of accord and satisfaction, waiver, consent, estoppel, release and/or assumption of risk.

SIXTEENTH AFFIRMATIVE DEFENSE

Third-Party Plaintiffs' claims are barred, in whole or in part, by the doctrine of "coming to the nuisance."

SEVENTEENTH AFFIRMATIVE DEFENSE

The claims for equitable contribution under the Spill Act in the Third-Party Complaint are barred because: (1) equity will not compel action that is impossible of performance; (2) equity will not exceed the rights of parties existing at law; (3) equity will not consciously become an instrument of injustice; (4) equity will not permit double satisfaction; and/or (5) to the extent Third-Party Defendant is acting or has acted to conduct environmental cleanup at any site(s) alleged by Third-Party Plaintiffs to be the subject of their contribution claims against Third-Party Defendant, equity will not compel action that is already being undertaken and/or is unnecessary.

EIGHTEENTH AFFIRMATIVE DEFENSE

Third-Party Plaintiffs' claims are barred, in whole or in part, by the doctrines of unclean hands, collateral estoppel, *res judicata*, and/or judicial estoppel including but not limited to in connection with prior findings as to Third-Party Plaintiffs' intentional misconduct.

NINETEENTH AFFIRMATIVE DEFENSE

Third-Party Plaintiffs' claims are barred because the relief sought against Third-Party Defendant, were it claimed directly by Plaintiffs, would amount to unlawful taxation.

TWENTIETH AFFIRMATIVE DEFENSE

Third-Party Plaintiffs' claims against Third-Party Defendant are subject to setoff and recoupment and therefore must be reduced accordingly.

TWENTY-FIRST AFFIRMATIVE DEFENSE

Third-Party Plaintiffs' claims are barred, in whole or in part, by Third-Party Plaintiffs' failure to comply with the prerequisites to liability under the Spill Act including, without limitation to, Third-Party Plaintiffs have not incurred costs authorized by the Spill Act and Third-Party Plaintiffs have failed to direct cleanup and removal activities in accordance with the National Contingency Plan to the greatest extent possible.

TWENTY-SECOND AFFIRMATIVE DEFENSE

Third-Party Plaintiffs' claims are barred to the extent neither they nor Plaintiffs have incurred "costs of restoration and replacement ... of any natural resources damaged or destroyed by a discharge" under the Spill Act.

TWENTY-THIRD AFFIRMATIVE DEFENSE

Third-Party Plaintiffs have failed to join necessary and indispensable parties needed for a just adjudication of the claims asserted in this action, in whose absence complete relief cannot be afforded the existing parties pursuant to R. 4:28-1 including, without limit, State of New Jersey agencies and instrumentalities, trustees for tidelands, and United States agencies and instrumentalities with liability under the Spill Act.

TWENTY-FOURTH AFFIRMATIVE DEFENSE

Third-Party Plaintiffs' claims are not ripe for adjudication, inter alia, because Third-Party Plaintiffs have a joint liability to the Plaintiffs and have not paid more than their equitable share of the liability.

TWENTY-FIFTH AFFIRMATIVE DEFENSE

Third-Party Defendant denies that Third-Party Plaintiffs have suffered any harm whatsoever, but in the event that they did suffer any form of injury or damage cognizable under applicable Environmental Laws, such injury was the result of an intervening, supervening or superseding cause, including, without limit, unpermitted and storm event discharges from publicly owned treatment works.

TWENTY-SIXTH AFFIRMATIVE DEFENSE

If Third-Party Plaintiffs sustained any injury or are entitled to any damages, such injury and damages were wholly, or in part, caused by Third-Party Plaintiffs' own acts or omissions, negligence, lack of due care and fault and/or that of Third-Party Plaintiffs' agents or employees. In the event that Third-Party Plaintiffs are found to have sustained any injury and are entitled to damages, Third-Party Plaintiffs' recovery against Third-Party Defendant, if any, must be reduced by the proportionate damages caused by the acts and conduct of Third-Party Plaintiffs and/or its agents or employees.

TWENTY-SEVENTH AFFIRMATIVE DEFENSE

Although Third-Party Defendant denies that it is liable for the contamination described in Third-Party Plaintiffs' Complaint, in the event it is found liable, Third-Party Defendant is entitled to an offset against any such liability on its part for the equitable share of the liability of

any person or entity not joined as a defendant in this action that would be liable to Third-Party Plaintiffs.

TWENTY-EIGHTH AFFIRMATIVE DEFENSE

Under N.J.S.A. 2A:15-97, or any other law or equitable principle, the amount of damages, if any, should be reduced by any amounts recovered from any other source.

TWENTY-NINTH AFFIRMATIVE DEFENSE

Third-Party Plaintiffs' claims are barred to the extent that the conduct of Third-Party Defendant that is alleged to give rise to liability in the Complaint is the subject of a release, covenant not to sue, or has otherwise been excused by Plaintiffs, including, without limit, through issuance of a no further action letter, consent order, settlement agreement, response action outcome or other applicable document.

THIRTIETH AFFIRMATIVE DEFENSE

The disposal of waste, if any, which allegedly originated from Third-Party Defendant, was undertaken in accordance with the then state of the art, the then accepted industrial practice and technology, and the then prevailing legal requirements.

THIRTY-FIRST AFFIRMATIVE DEFENSE

Any discharge that allegedly originated from Third-Party Defendant, was investigated and remediated by a licensed professional and/or under the oversight of State and/or federal agencies with the then state of the art, the then accepted industrial practice and technology, and the then prevailing requirements.

THIRTY-SECOND AFFIRMATIVE DEFENSE

The damages Third-Party Plaintiffs seek, if awarded, would result in unjust enrichment to the Third-Party Plaintiffs.

THIRTY-THIRD AFFIRMATIVE DEFENSE

Third-Party Plaintiffs' claims are barred due to its own conduct in unilaterally, and without notice to Third-Party Defendant, implementing clean-up plan(s) or taking other actions that resulted in the commingling of formerly divisible areas of environmental harm.

THIRTY-FOURTH AFFIRMATIVE DEFENSE

Third-Party Defendant's liability to Third-Party Plaintiffs, if any, is limited to Spill Act and contribution claims and excludes any such claims which may properly be apportioned to other third parties pursuant to *Burlington Northern and Santa Fe Railway Co., et al. v. United States, et al.*, 556 U.S. ____; 129 S.Ct. 1870 (2009), and other comparable decisional law.

THIRTY-FIFTH AFFIRMATIVE DEFENSE

Third-Party Plaintiffs cannot assert contribution claims against Third-Party Defendant because the discharges for which the Plaintiffs are seeking relief are different from Third-Party Defendant's alleged discharges.

THIRTY-SIXTH AFFIRMATIVE DEFENSE

Third-Party Plaintiffs cannot seek contribution under the Joint Tortfeasors Contribution Law because Third-Party Defendant(s) are not liable for "the same injury" caused by Third-Party Plaintiffs' discharges and do not share a common liability to the State.

THIRTY-SEVENTH AFFIRMATIVE DEFENSE

Third-Party Defendant incorporates by reference any affirmative defense asserted by other parties in this action to the extent such affirmative defenses are defenses to Third-Party Plaintiffs' claims and do not impose liability on nor are contrary to any final position taken by Third-Party Defendant.

THIRTY-EIGHTH AFFIRMATIVE DEFENSE

Third-Party Defendant reserves the right to assert and hereby invokes each and every defense pursuant to applicable Environmental Laws that may be available during the course of this action.

THIRTY-NINTH AFFIRMATIVE DEFENSE

Third-Party Plaintiffs' claims are barred to the extent they seek to hold Third-Party Defendant liable, in contribution, for any claims for which it would be a violation of public policy to hold Third-Party Defendant liable, including but not limited to punitive damages and penalties.

FORTIETH AFFIRMATIVE DEFENSE

Third-Party Plaintiffs' claims are barred, in whole or in part, because no actions or inactions by Third-Party Defendant have resulted in any permanent impairment or damage to a natural resource.

FORTY-FIRST AFFIRMATIVE DEFENSE

Third-Party Plaintiffs claims for contribution, whether under the Spill Act or the New Jersey statutory provisions for contribution (including N.J.S.A. 2A:53A-1 et seq.), are derivative of, and are therefore no greater than, Plaintiffs' claims against Third-Party Plaintiffs. Consequently, Third-Party Plaintiffs' claims against Third-Party Defendant are barred to the extent of any legal extinguishments of actual or potential claims by the Plaintiffs against Third-Party Defendant pertaining to the alleged environmental contamination (including natural resource damage) of any site(s) alleged by Third-Party Plaintiffs to be the subject of their contribution claims against Third-Party Defendant. Examples of legal extinguishments that are or may be applicable to Third-Party Defendant include, with respect to each such site:

- A. Any release or covenant not to sue granted by Plaintiffs to Third-Party Defendant;
- B. Any settlement or other compromise between Plaintiffs and Third-Party Defendant;
- C. Any expiration of the statute of limitations governing Plaintiffs' right to maintain a claim against Third-Party Defendant;
- D. Any failure to join a claim relating to the "Newark Bay Complex" (as defined in the Third-Party Complaint) in a prior litigation between Plaintiffs and Third-Party Defendant, which would result in relinquishment of such a claim by virtue of New Jersey's Entire Controversy Doctrine; and/or
- E. Any issuance by Plaintiffs to Third-Party Defendant, directly or indirectly, of any "No Further Action" (a/k/a "NFA") determination, "Negative Declaration," or similar determination, or any issuance to Third-Party Defendant of a response action outcome or similar document.

FORTY-SECOND AFFIRMATIVE DEFENSE

Third-Party Plaintiffs' claims are barred because the relief sought against Third-Party Defendant, were it claimed directly by Plaintiffs, would amount to a "taking" of Third-Party Defendant's property in violation of its constitutional rights to due process and/or in violation of its rights under the Eminent Domain Act of 1971, N.J.S.A. 20:3-1 et seq.

FORTY-THIRD AFFIRMATIVE DEFENSE

Third-Party Plaintiffs' claims are barred to the extent the relief sought by Third-Party Plaintiffs in the Third-Party Complaint is at odds with Third-Party Defendant's responsibilities, if any, to conduct ongoing environmental cleanups under oversight of the Plaintiffs at any site(s) alleged by Third-Party Plaintiffs to be the subject of their contribution claims against Third-Party Defendant, thereby exposing Third-Party Defendant to inconsistent responsibilities, penalties and liabilities, and the possibility of paying twice for the same actions (i.e., double recovery).

FORTY-FOURTH AFFIRMATIVE DEFENSE

Without admitting liability, Third-Party Defendant alleges that if it is found to have been engaged in any of the activities alleged in the Third-Party Complaint, such activities were *de minimis* and not the cause of any damages or other claims by Third-Party Plaintiffs.

FORTY-FIFTH AFFIRMATIVE DEFENSE

The claims alleged in the Third-Party Complaint are barred, in whole or in part, by Third-Party Plaintiff's failure to mitigate damages.

FORTY-SIXTH AFFIRMATIVE DEFENSE

Third-Party Plaintiffs' claims are barred, in whole or in part, because they have not paid more than their fair or equitable share of any damages, costs or other relief sought by the Plaintiffs, and are, therefore, not entitled to contribution from Third-Party Defendant.

FORTY-SEVENTH AFFIRMATIVE DEFENSE

Third-Party Plaintiffs are not entitled to recover from Third-Party Defendant more than Third-Party Defendant's fair, equitable, and proportionate share, if any, of the costs and damages sought by Third Party Plaintiffs or to otherwise recover from Third-Party Defendant more than the amount of such relief, if any, for which Third-Party Defendant is liable.

COUNTER-CLAIMS, CROSS CLAIMS AND THIRD/FOURTH PARTY CLAIMS

No such claims are required to be asserted at this time and are expressly reserved pursuant to CMO V.

WHEREFORE, Third-Party Defendant Sun Pipe Line Company respectfully requests that the Court enter an Order dismissing the Third-Party Complaint "D" with prejudice, and awarding costs, attorney fees and any other relief the Court deems just and proper.

DEMAND FOR STATEMENT OF DAMAGES

Pursuant to Rule 4:5-2, Sun Pipe Line Company hereby demands that Third-Party Plaintiffs serve upon the undersigned within five (5) days of the date hereof a statement of damages claimed in the Third-Party Complaint.
