- 7. Any wrongful conduct alleged in the Third-Party Complaint "A" resulted from and was proximately caused by the conduct of persons other than the Township of Bloomfield or by the conduct of persons over whom the Township of Bloomfield had no control, or by the superseding intervention, criminal, illegal or tortuous acts of others outside the control of the Township of Bloomfield.
- 8. Without admitting any liability, if it is determined that the Township of Bloomfield engaged in any of the activities alleged in the Third Party Complaint "A", such activities were *de minims*.
- 9. Any damages were caused by an Act of God.
- 10. The claims asserted in the Third Party Complaint "A" are barred, in whole or in part, by the applicable statutes of limitations.
- 11. Plaintiffs' and Defendants/Third-Party Plaintiffs' costs incurred or to be incurred at the site are unreasonable, duplicative, not cost effective, and not consistent with the National Contingency Plan.
- 12. To the extent that the Township of Bloomfield is found liable in this matter, joint and several liability is inappropriate because there are distinct harms or a reasonable basis for apportionment of the harm suffered.
- 13. At all times relevant, the Township of Bloomfield complied with all applicable laws, regulations or standards and government approvals.
- 14. Plaintiffs and Defendants/Third-Party Plaintiffs failed to provide notice to the Township of Bloomfield that it was considered a potentially responsible party prior to undertaking numerous response actions relating to the site, which has precluded the Township of Bloomfield from commenting upon or participation in the selection of the remedial action at the site. This has resulted in a deprivation of the Township of Bloomfield's substantive and procedural due process rights under the Federal and State Constitutions.

- 15. Plaintiffs' and Defendants/Third-Party Plaintiffs' Complaints include costs not yet expended. The New Jersey Spill Compensation and Control Act ("Spill Act"), N.J.S.A. 58:10-23.11 et seq., does not authorize Plaintiffs and/or Third Party Plaintiffs to recover future costs. Therefore, any claims are premature and not yet ripe for adjudication.

- 17. The Township of Bloomfield has at all times acted in good faith.
- 18. To the extent that this action is brought pursuant to the Spill Act, the Township of Bloomfield is not liable because any release or threat of release of any hazardous substance was an omission of a third party other than an employee or agent of the Township of Bloomfield. The Township of Bloomfield exercised due care with respect to any such alleged hazardous substance, in light of all relevant facts and circumstances. - 19. Plaintiffs' and Defendants/Third Party Plaintiffs' claims for relief are barred by waiver, estoppel and/or laches.
- 20. In the event Plaintiff's and/or Defendants/Third Party Plaintiffs' claims are not barred by their own conduct, then any recovery by these parties should be reduced in the proportion that such parties' acts or omissions bear to the acts or omissions that caused the alleged injuries or damages.
- 21. Plaintiffs and Defendants/Third Party Plaintiffs have failed to comply with the necessary conditions precedent for the maintenance of a claim under the Spill Act.
- 22. The Township of Bloomfield is not a "responsible party" under the Spill Act.

- 23. Certain of the costs incurred or to be incurred by the Plaintiffs and/or

 Defendants/Third Party Plaintiffs in connection with the site are not "response costs",
 recoverable from the Township of Bloomfield, within the meaning of section 101 (23),

- 24. Certain of the actions taken to date by Plaintiffs and/or Third Party Plaintiffs for which Third Party Plaintiffs are making a claim against the Township of Bloomfield were not consistent with the National Contingency Plan because, among other things, the Township of Bloomfield was not provided with notice or an opportunity to comment.

- 28. Third Party Plaintiffs have not paid more then their fair share of any damages, costs or other relief sought by the Plaintiffs, New Jersey Department of Environmental Protection, the Commissioner of the New Jersey Department of Environmental Protection, and the Administrator of the New Jersey Spill Compensation Fund, and are, therefore, not entitled to contribution from the Township of Bloomfield.
- 29. Third-Party Plaintiffs' claims for indemnification are barred because any alleged liability of the Township of Bloomfield, liability the Township of Bloomfield denies, would be secondary, indirect, passive, precarious, constructive, technical and/or imputed, and the liability of all or some of the Defendants/Third-Party Plaintiffs are direct, active and primary.
- 30. Third-Party Plaintiffs are not entitled to recover attorney's fees or costs, or fees of litigation.
