DEFENSES

1. The Third Party Complaint "A" fails to state a claim upon which relief may be granted.

2. The Third Party Complaint "A" must be dismissed for failure to join necessary and indispensable parties.

3. The Township of South Orange Village is not liable pursuant to the New Jersey Tort Claims Act, N.J.S.A. 59:1-1 to 12.3.

4. Third-Party Plaintiffs have failed to provide notice in accordance with N.J.S.A. 59:8-1 et seq.

5. Third-Party Plaintiffs lack standing.

6. Third-Party Plaintiffs have failed to exhaust administrative remedies.

7. Any wrongful conduct alleged in the Third-Party Complaint "A" resulted from and was proximately caused by the conduct of persons other than the Township of South Orange Village or by the conduct of persons over whom the Township of South Orange Village had no control, or by the superseding intervention, criminal, illegal or tortuous acts of others outside the control of the Township of South Orange Village.

8. Without admitting any liability, if it is determined that the Township of South Orange Village engaged in any of the activities alleged in the Third Party Complaint "A", such activities were *de minimis*.

9. Any damages were caused by an Act of God.

10. The claims asserted in the Third Party Complaint "A" are barred, in whole or in part, by the applicable statutes of limitations.

11. Plaintiffs' and Defendants/Third-Party Plaintiffs' costs incurred or to be incurred at the site are unreasonable, duplicative, not cost effective, and not consistent with the National Contingency Plan.

12. To the extent that the Township of South Orange Village is found liable in this matter, joint and several liability is inappropriate because there are distinct harms or a reasonable basis for apportionment of the harm suffered.

13. At all times relevant, the Township of South Orange Village complied with all applicable laws, regulations or standards and government approvals.

14. Plaintiffs and Defendants/Third-Party Plaintiffs failed to provide notice to the Township of South Orange Village that it was considered a potentially responsible party prior to undertaking numerous response actions relating to the site, which has precluded the Township of South Orange Village from commenting upon or participation in the selection of the remedial action at the site. This has resulted in a deprivation of the Township of South Orange Village's substantive and procedural due process rights under the Federal and State Constitutions.

15. Plaintiffs' and Defendants/Third-Party Plaintiffs' Complaints include costs not yet expended. The New Jersey Spill Compensation and Control Act ("Spill Act"), N.J.S.A. 58:10-23.11 et seq., does not authorize Plaintiffs and/or Third Party Plaintiffs to recover future costs. Therefore, any claims are premature and not yet ripe for adjudication.

16. The Third-Party Complaint "A" is an unauthorized retroactive application of the Spill Act and other applicable case law.

17. The Township of South Orange Village has at all times acted in good faith.

18. To the extent that this action is brought pursuant to the Spill Act, the Township of South Orange Village is not liable because any release or threat of release of any hazardous substance was an omission of a third party other than an employee or agent of the Township of South Orange Village. The Township of South Orange Village exercised due care with respect to any such alleged hazardous substance, in light of all relevant facts and circumstances. The Township of South Orange Village took precautions against foreseeable acts or omissions of any such third party and the consequences that could foreseeably result from such acts or omissions. Consequently, the Township of South Orange Village is not liable under the Spill Act.

19. Plaintiffs' and Defendants/Third Party Plaintiffs' claims for relief are barred by waiver, estoppel and/or laches.

20. In the event Plaintiff's and/or Defendants/Third Party Plaintiffs' claims are not barred by their own conduct, then any recovery by these parties should be reduced in the proportion that such parties' acts or omissions bear to the acts or omissions that caused the alleged injuries or damages.

21. Plaintiffs and Defendants/Third Party Plaintiffs have failed to comply with the necessary conditions precedent for the maintenance of a claim under the Spill Act.

22. The Township of South Orange Village is not a "responsible party" under the Spill Act.

23. Certain of the costs incurred or to be incurred by the Plaintiffs and/or Defendants/Third Party Plaintiffs in connection with the site are not "response costs", recoverable from the Township of South Orange Village, within the meaning of section 101 (23), (24) and (25) of CERCLA, 42 U.S.C. 9601 (23), (24) and (25), as applied to the Spill Act.

24. Certain of the actions taken to date by Plaintiffs and/or Third Party Plaintiffs for which Third Party Plaintiffs are making a claim against the Township of South Orange Village were not consistent with the National Contingency Plan because, among other things, the Township of South Orange Village was not provided with notice or an opportunity to comment.

25. The Township of South Orange Village exercised reasonable care under all the circumstances herein. Consequently, it is not liable to Plaintiffs or Defendants/Third Party Plaintiffs under the common law or any statutory theory of recovery averred herein.

26. The claims for relief are time barred by the terms of the Spill Act.

27. Third Party Plaintiffs' claims against the Township of South Orange Village are barred, in whole or in part, by Section 107(b)(3) of CERCLA, 42 U.S.C. 9607(b)(3) because any releases, or threats of releases of hazardous substances, including those allegedly attributable to the Township of South Orange Village, an allegation the Township of South Orange Village denies, were caused by the acts or omissions of third parties other than the Township of South Orange Village's employees or agents, or other than one with whom the Township of South Orange Village had a direct or indirect contractual relationship, and the Township of South Orange Village exercised due care with respect to the alleged hazardous

substances taking into consideration the characteristics thereof, in light of all the relevant facts and circumstances, and took precautions against foreseeable acts or omissions of any such third party and the consequences that could foreseeably result from such act or omissions.

28. Third Party Plaintiffs have not paid more than their fair share of any damages, costs or other relief sought by the Plaintiffs, New Jersey Department of Environmental Protection, the Commissioner of the New Jersey Department of Environmental Protection, and the Administrator of the New Jersey Spill Compensation Fund, and are, therefore, not entitled to contribution from the Township of South Orange Village.

29. Third-Party Plaintiffs' claims for indemnification are barred because any alleged liability of the Township of South Orange Village, liability the Township of South Orange Village denies, would be secondary, indirect, passive, precarious, constructive, technical and/or imputed, and the liability of all or some of the Defendants/Third-Party Plaintiffs are direct, active and primary.

30. Third-Party Plaintiffs are not entitled to recover attorney's fees or costs, or fees of litigation.

31. Third Party Plaintiffs are not entitled to recovery for any alleged unjust enrichment as there exists an adequate remedy at law to redress Third-Party Plaintiffs' claims.

32. Third-Party Plaintiffs' claims are barred by the statutory defenses to liability provided by the Spill Act.

33. Third-Party Plaintiffs' claims are barred to the extent they seek relief for conduct occurring, or damages incurred, before the effective date of the Spill Act.

34. Third-Party Plaintiffs' claims are barred to the extent they seek recovery for any punitive damages as such claims are barred by public policy and applicable laws.

35. To the extent that Third-Party Plaintiffs' claims against the Township of South Orange Village are subject to contribution or any reduction or offset from other parties, any damages recovered against the Township of South Orange Village shall be reduced accordingly.

36. The Township of South Orange Village hereby asserts and adopts all other defenses which have been or will be asserted at any time by any other party in this action, to the extent said defenses are applicable to the Township of South Orange Village.

37. The Township of South Orange Village reserves the right to assert additional defenses that may be uncovered during the course of this action.

COUNTERCLAIMS AND CROSSCLAIMS

In accordance with Case Management Order V, the Township of South Orange Village is not asserting any counter claims or cross claims at this time and reserves its rights to do so as specified by the Court's Order.
