B. BUILDING TYPES TO BE TESTED

Check the applicable boxes (check multifamily, large buildings and schools if a certificate is provided in C below):

- Residential single-family buildings
- Residential multifamily buildings (apartment, townhouse, condominium, other)
- Non-residential large buildings
- Schools

C. ATTACHMENTS

Measurement Specialist (per N.J.A.C. 7:28-27.18)

1. One or more of the following to meet the requirements specified in N.J.A.C. 7:28-27.20(b) at <https://nj.gov/dep/rpp/radon/download/sub27a.pdf>:
 - Certified copy of a transcript from an accredited institution showing the applicant's name and the degree awarded
 - A letter from either the employer with whom the applicant obtained radiation work experience, or an individual other than the applicant who has extensive knowledge of the applicant's radiation work experience, listing all applicable work experience and the dates or range of dates that the applicant performed the work
 - Copy of a certified health physicist certification accreditation
2. Copy of the 16-hour initial training course certificate. Training courses may be found at: <https://nrpp.info/educationtraining/initial-training-courses/> and <https://www.nrsb.org/courses/initial-courses-for-measurement/>
3. Copy of the additional 8-hour training course certificate ONLY when residential multifamily buildings, non-residential large buildings, and/or schools are checked in section B. (One certificate is acceptable if a course specifies that it covers more than one building type; for example, if a course addresses schools and large buildings, one certificate may be submitted to fulfill the training requirement for both building types)
Training courses for these building types may be found at: https://www.state.nj.us/dep/rpp/radon/rad_cert_req.html and the protocols for these building types may be found at https://nj.gov/dep/rpp/radon/rad_cert_req.html
4. Copy of the NRPP Radon Measurement Professional exam results that show a passing score. The exam (3 hours, 150 questions, \$150) can be found at: <https://nrpp.info/nrpp-exams/>
5. If you use continuous radon monitors and/or electret devices, complete and submit the MET & MES Portable Device Form found at this link to ADD devices to your certification
https://www.state.nj.us/dep/rpp/radon/rad_cert_req.html
6. Copy of proficiency test for each device model listed in the portable device list

D. CERTIFICATION SIGNATORIES

I certify under penalty of law that the information provided in this document is true, accurate and complete. I am aware that there are significant civil and criminal penalties for submitting false, inaccurate or incomplete information, including fines and/or imprisonment. I am aware that the certification for which I am applying requires compliance with N.J.A.C. 7:28-27 at all times when providing radon services under that certification.
