

NRC Regulatory Issue Summary 2013-10 Permanent Implant Brachytherapy Medical Event Reporting Under 10 CFR Part 35.

This information notice may be accessed at the following link:

<http://pbadupws.nrc.gov/docs/ML1315/ML13156A195.html>

The Interim Enforcement Policy (IEP) explains the enforcement discretion that may be provided to licensees until a new rule for medical event reporting requirements is finalized.

The New Jersey Department of Environmental Protection's Radioactive Materials Program is in agreement with the Regulatory Issue Summary and will also exercise the enforcement discretion under the IEP.

Please review the RIS carefully and contact the Radioactive Materials Program if you have any questions at (609) 984-5462.
