NOTES:

Results are for first time examinees

NP: School did not have a program in that year

NS: School had no students take the test in that year

Minimum score needed to pass is 400

Pursuant to N.J.A.C 7:28-19.13(f)18, schools must not have greater than two consecutive years where the passing percentage is below 75% and the mean score is less than 400. However, effective with 2015, the standard was changed to not having greater than two consecutive years where the passing percentage is below 75%.
