The Hazardous Waste rules at N.J.A.C. 7:26G implement the Solid Waste Management Act, N.J.S.A. 13:1E-1 et seq., and incorporate by reference the Federal hazardous waste regulations, which were mandated by the Resource Conservation and Recovery Act of 1976, as amended by the 1984 Hazardous and Solid Waste Amendments, 42 U.S.C. §§6901 et seq. Since 1999, the Hazardous Waste rules have incorporated by reference not only existing Federal regulations, but also future amendments (prospective incorporation). The Hazardous Waste rules govern management of hazardous waste generation; registration, operation, maintenance and closure of hazardous waste treatment, storage, or disposal facilities; registration, operation and maintenance of hazardous waste transportation vehicles; the operation of hazardous waste transfer facilities; fees charged for services provided by the Department to hazardous waste facilities, generators and transporters; and civil administrative penalty assessments and requests for adjudicatory hearings.
