Kaufmann, Esq. of Cohn Lifland Pearlman Herrmann & Knopf LLP, and Scott E. Kauff, Esq. of the Law Offices of John K. Dema, P.C., and Michael Axline, Esq. of Miller Axline P.C., and Tyler Wren, Esq. of Berger & Montague P.C., Special Counsel to the Attorney General, appearing, as attorneys for plaintiffs New Jersey Department of Environmental Protection ("DEP" or "Department") and the Commissioner of the New Jersey Department of Environmental Protection ("Commissioner"), in their named capacity, as parens patriae, and as trustee of the natural resources of New Jersey, and the Administrator of the New Jersey Spill Compensation Fund ("Administrator"), and Traci L. Lovitt, Esq. and Christopher H. Domingo, Esq. of Jones Day representing

TOTAL PETROCHEMICALS & REFINING USA, INC., f/k/a TOTAL PETROCHEMICALS USA, INC. ("Total"), and these Parties having amicably resolved their dispute before trial:

I. BACKGROUND

A. The Plaintiffs initiated this action on or around June 28, 2007 by filing a complaint against Total and other defendants in the Superior Court of the State of New Jersey, Mercer County, Docket MER-L-1622-07, pursuant to the Spill Compensation and Control Act, N.J.S.A. 58:10-23.11 to -23.24 ("the Spill Act"), the Water Pollution Control Act, N.J.S.A. 58:10A-1 to -20, and the common law. The matter was removed to the United States District Court for the District of New Jersey, and later assigned to the multi-district litigation in the United States District Court for the Southern District of New York, MDL No. 1358 (VSB) ("Multi-District Litigation"). There was a remand of nineteen trial sites to the United States District Court for the District of New Jersey, Civil Action No.: 15-6468 (FLW) (LHG); the remainder of the case continues in the Southern District of New York.

B. The Plaintiffs filed amended complaints; the latest was the Fifth Amended Complaint, which was filed September 28, 2018 and included Total as a defendant (the "Complaint").

C. Plaintiffs, in their Complaint, seek past and future damages they have incurred and will incur as a result of alleged widespread contamination of the waters of New Jersey by MTBE.

D. Plaintiffs, in their Complaint, seek past and future costs they have incurred and will incur as a result of alleged widespread contamination of the waters of New Jersey by MTBE.

E. Plaintiffs, in their Complaint, seek injunctive relief concerning the remediation of MTBE discharges.

F. Total Petrochemicals & Refining USA, Inc., f/k/a Total Petrochemicals USA, Inc., is a Delaware corporation with its principal place of business at 1201 Louisiana Street, Suite 1800, Houston, Texas, 77002.

G. Total filed responsive pleadings in which it denied liability and asserted various defenses to the allegations contained in the Complaint. Total represents that it does not, as of the effective date of this JCO, utilize or knowingly distribute MTBE as an additive to gasoline in New Jersey.

H. The Parties to this Judicial Consent Order ("JCO") recognize, and this Court by entering this JCO finds, that the Parties to this JCO have negotiated this JCO in good faith; that the implementation of this JCO will allow the Parties to this JCO to avoid continued, prolonged, and complicated litigation; and that this JCO is fair, reasonable, and in the public interest.

**THEREFORE**, with the consent of the Parties to this JCO, it is hereby **ORDERED and ADJUDGED**:

## II. JURISDICTION

1. This case was removed to the United States District Court for the District of New Jersey pursuant to 28 U.S.C. § 1446(d) and the Energy Policy Act of 2005, 42 U.S.C. § 7545, et seq., which expressly authorized the removal of legal actions related to allegations involving MTBE contamination, and then assigned to the United States District Court for the Southern District of New York as part of the Multi-District Litigation. Part of the litigation was remanded to the United States District Court for the District of New Jersey.

2. For purposes of approving and implementing this JCO, the Parties to this JCO waive all objections and defenses they may have to the jurisdiction of this Court and the United States District Court for the District of New Jersey over the Parties and this JCO. The Parties shall not challenge the jurisdiction of the United States District Court for the Southern District of New York or the United States District Court for the District of New Jersey to enforce this JCO against the parties to this JCO.

### III. PARTIES BOUND

3. This JCO applies to, and is binding upon, the Plaintiffs and the named Settling Defendant, as defined below (each, a "Party" and collectively, the "Parties").

### IV. DEFINITIONS

4. Unless otherwise expressly provided, terms used in this JCO that are defined in the Spill Act or in the regulations promulgated under the Spill Act, shall have their statutory or regulatory meaning. Whenever the terms listed below are used in this JCO, the following definitions shall apply:

"Damages" shall mean all damages caused by discharges of MTBE prior to the effective date of this JCO, whether or not known or suspected to exist by Plaintiffs, that at any time threaten or affect waters of New Jersey, including but not limited to natural resource damages, sought in the Complaint. "Damages" do not include Settling Defendant's obligation to perform Remediation except for those matters expressly released or for which a covenant not to sue is granted in Paragraph 6(b) below. Damages also do not include Past Cleanup and Removal Costs or Future Cleanup and Removal Costs, except for those matters expressly released in Paragraph 6(b) below or for which a covenant not to sue is granted in Paragraph 6(b) below.

"Day" shall mean a calendar day unless expressly stated to be a Working Day. "Working Day" shall mean a day other than a Saturday, Sunday, or State holiday. In computing time under this JCO, where the last day would fall on a Saturday, Sunday, or State holiday, time shall run until the close of business of the next Working Day.

"Defendant's Site" means any site in New Jersey for which a Settling Defendant is in any way responsible for MTBE discharged at that site unless such responsibility is based solely upon a Settling Defendant's Upstream Activities.

"Future Cleanup and Removal Costs" shall mean all direct and indirect costs of any kind for any purpose the Plaintiffs incur on or after the effective date of this JCO, including oversight costs, with respect to MTBE that threatens or affects the waters of New Jersey for which Total is responsible under any applicable federal or state statute, regulation or order.

"MTBE" shall mean methyl tertiary butyl ether, neat or as a part of gasoline or as a contaminant of other fuel, and the degradation byproducts of commercial grade MTBE, including tertiary butyl alcohol ("TBA"). In addition, MTBE shall include TBA when TBA is present in MTBE gasoline.

"Paragraph" shall mean a portion of this JCO identified by an Arabic numeral or an upper case letter.

"Past Cleanup and Removal Costs" shall mean all direct and indirect costs of any kind for any purpose the Plaintiffs incurred before the effective date of this JCO, including oversight costs, with respect to MTBE that threatens or affects the waters of New Jersey for which Total is responsible under any applicable federal or state statute, regulation or order.

"Plaintiffs" shall mean plaintiffs DEP, the Commissioner, and the Administrator, including in their capacities as described in paragraphs 14 to 18 of the Complaint, and any successor department, agency or official. Plaintiffs hereby represent and warrant that they have the power and authority to enter into this Agreement.

"Remediation" shall mean compliance with the Administrative Requirements for the Remediation of Contaminated Sites, N.J.A.C. 7:26C, or any successor regulation, and all of the then-applicable remediation standards pursuant to N.J.S.A. 58:10B-12 and N.J.A.C. 7:26D, or any successor regulation. Remediation does not include restoration to pre-discharge conditions (primary restoration) beyond what is necessary to comply with the applicable remediation standards pursuant to N.J.S.A. 58:10B-12 and N.J.A.C. 7:26D. Remediation also does not include any liability to comply with the Administrative Requirements for the Remediation of Contaminated Sites, N.J.A.C. 7:26C, or any successor regulation, and all of the then-applicable remediation standards pursuant to N.J.S.A. 58:10B-12 and N.J.A.C. 7:26D, or any successor regulation based solely upon Upstream Activities, and nothing herein shall be deemed an admission by Settling Defendant that such liability can be based on Upstream Activities.

"Section" shall mean a portion of this JCO identified by a roman numeral.

"Settling Defendant" means Total, as well as Total's parent companies, officers, directors, employees, predecessors, predecessors in interest, parents, successors, successors in interest and subsidiaries. No other party named as a defendant in the Fifth Amended Complaint shall be considered a related entity of Total.

"Upstream Activities" means the manufacture, refining, blending, sale, supply, distribution, exchange, transfer, purchase, trading, marketing, and/or branding of MTBE or gasoline with MTBE. Upstream Activities do not include a discharge of MTBE or gasoline with MTBE at or from a facility, as defined by N.J.A.C. 7:1E-1.6, in New Jersey that occurs at a time that the facility is owned, operated, or controlled by the Settling Defendant while the Settling Defendant is engaged in the manufacture, refining, blending, sale, supply, distribution, exchange, transfer, purchase, trading, marketing, and/or branding of MTBE or gasoline with MTBE.

#### V. SETTLING DEFENDANT'S COMMITMENTS

5. (a) Within fourteen (14) Days after the effective date of this JCO, Total shall pay, or cause to be paid on its behalf, to the Plaintiffs the sum of One Million Five Hundred Thousand Dollars (\$1,500,000.00) in full and complete satisfaction of Plaintiffs'

claims that are released or for which a covenant not to sue is provided in Section VI of the JCO.

(b) The amount specified in Paragraph 5(a) above shall be paid by wire transfer pursuant to instructions provided by Plaintiffs. Notice of payment shall be emailed to: John Sacco, Director/State Forester, New Jersey Department of Environmental Protection at [John.Sacco@dep.nj.gov](mailto:John.Sacco@dep.nj.gov), [David Haymes, Director, New Jersey Department of Environmental Protection at David.Haymes@dep.nj.gov](mailto:David.Haymes@dep.nj.gov), and to Gary Wolf, Section Chief, Environmental Enforcement and Environmental Justice Section, Division of Law, Department of Law and Public Safety at [Gary.Wolf@law.njoag.gov](mailto:Gary.Wolf@law.njoag.gov) or such other persons as Plaintiffs may designate.

#### VI. PLAINTIFFS' COVENANTS AND RELEASES

6. (a) In consideration of, and upon receipt of, the payment required in Section V above, and except as otherwise provided in Section VII below, the Plaintiffs fully and forever release, covenant not to sue, and agree not to otherwise take judicial, administrative, or other action against the Settling Defendant pursuant to the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA"), the Spill Act, the Water Pollution Control Act, or any other statute or regulation for recovery of Damages, Past Cleanup and Removal Costs, injunctive relief sought

in the Complaint, or attorneys' fees, consultants' and experts' fees, and other litigation costs sought in the Complaint for the sites identified by the Plaintiffs in NJMTBE-000-030608, attached hereto and incorporated herein by reference as Exhibit "A." The liability of any non-Settling Defendant is unaffected by this release and covenant not to sue except as set forth in the agreed stipulation, attached hereto as Exhibit "B." The foregoing release and covenant not to sue does not preclude Plaintiffs from seeking: (i) equitable, including injunctive, relief sought in the Complaint related to Remediation, (ii) attorneys' fees, consultants' and experts' fees, and other litigation costs sought in the Complaint related to a particular Remediation and not generated in connection with the preparation of the Complaint or any of the proceedings in the Multi-District Litigation, or (iii) Remediation of any discharge at or from any Defendant's Site, provided the Settling Defendant's Remediation liability at such Defendant's Site is not based solely on its Upstream Activities.

(b) Notwithstanding any other provision of this JCO, in consideration of, and upon receipt of, the payment(s) required in Section V above, the Plaintiffs fully and forever release, covenant not to sue, and agree not to otherwise take judicial, administrative, or other action against the Settling Defendant for Plaintiffs' causes of action based upon Settling Defendant's

alleged liability (i) under the common law with respect to MTBE discharges that threaten or affect the waters of New Jersey; (ii) in equity (except as reserved in Paragraphs 6(a), 10, 11, 21, 23, and 24) with respect to MTBE discharges that threaten or affect the waters of New Jersey; (iii) under theories of products liability with respect to MTBE discharges that threaten or affect the waters of New Jersey; or (iv) under any applicable federal or state statute, regulation or order where such liability is premised upon Settling Defendant's Upstream Activities prior to the effective date of the JCO.

7. The covenants and releases contained in this Section VI shall take effect upon the Plaintiffs receiving the payment that Total is required to make pursuant to Section V above, in full, and in compliance with the terms of this JCO.

8. The covenants and releases contained in this Section VI extend only to the Settling Defendant and not to any other defendant, party, person, or entity.

9. The covenants and releases contained in this Section VI do not pertain to any matters other than those expressly stated.

#### VII. PLAINTIFFS' RESERVATIONS

10. Except as set forth in Section VI, nothing in this JCO precludes Plaintiffs from taking judicial, administrative, or other action against the Settling Defendant to require the Settling

Defendant to perform Remediation of any discharge at or from that Settling Defendant's Site.

11. The Plaintiffs reserve, and this JCO is without prejudice to, all rights against the Settling Defendant except those expressly released or for which there is a covenant not to sue in Section VI. This reservation of rights includes, but is not limited to, the following:

- a. claims based on the Settling Defendant's failure to satisfy any term or provision of this JCO;
- b. liability arising from the Settling Defendant being in any way responsible for any hazardous substance other than MTBE that is discharged into or threatens the waters and/or soils of New Jersey. To the extent MTBE is also present along with another hazardous substance(s) in the same location (e.g., the same water and/or soil) and during the same time period, Settling Defendant shall receive the releases and covenants not to sue set forth in Section VI above for the other hazardous substance(s) coextensive in place and time with the MTBE, subject to the obligations and reservations in this Section VII and Section XI below, and subject to the potential obligation (if any) to perform restoration for substance(s) other than MTBE to pre-discharge conditions (primary restoration) but only if the restoration of the

groundwater containing the MTBE would not have also restored the groundwater by removing such other hazardous substance(s) to pre-discharge concentration(s). Settling Defendant shall not be entitled to any release, covenant not to sue, or offset or reduction in liability or damages for any hazardous substance other than MTBE pursuant to this JCO where any hazardous substance(s) other than MTBE are not in the same location (e.g., the same water and/or soil) during the same time period as the MTBE, except as provided by Paragraph 6(b), unless the restoration of the groundwater containing the MTBE also restores the groundwater by removing such other hazardous substance(s) to pre-discharge concentration(s);

- c. liability for Future Cleanup and Removal Costs, except as released in Paragraph 6(b);
- d. liability, except as released by Paragraph 6(b), for all claims paid in the three (3) years prior to the effective date of this JCO or in the future by the Spill Fund resulting from a discharge of MTBE at a site owned, operated, or controlled by the Settling Defendant at the time of the discharge that threatens or affects the waters of New Jersey, and for which the Settling

Defendant is responsible under the statutes of New Jersey.

- e. criminal liability; and
- f. liability for any violation by the Settling Defendant of federal or state law that occurs after the effective date of this JCO.

#### VIII. SETTLING DEFENDANT'S COVENANT

12. The Settling Defendant covenants not to sue or assert any claim or cause of action against the Department, Administrator, or Commissioner concerning the matters addressed in the Complaint and this JCO, with the exception of the enforcement of the terms of this JCO, unless the Settling Defendant is the subject of third party claims or causes of action for which the Department, Administrator, or Commissioner may be liable.

13. The Settling Defendant's covenant in Paragraph 12 above does not apply where the Plaintiffs sue or take judicial, administrative, criminal or other action against the Settling Defendant pursuant to Section VII above.

#### IX. NO FINDINGS OR ADMISSIONS OF LIABILITY

14. Nothing contained in this JCO shall be considered an admission by the Settling Defendant, or a finding by the Plaintiffs or this

Court, of any wrongdoing or liability on the Settling Defendant's part.

X. EFFECT OF SETTLEMENT AND CONTRIBUTION PROTECTION

15. Nothing in this JCO shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this JCO. The preceding sentence shall not be construed to waive or nullify any rights that any person not a signatory to this JCO may have under applicable law.

16. Settling Defendant expressly reserves all rights, including, but not limited to, any right to indemnification and contribution, defenses, claims, demands, and causes of action that the Settling Defendant may have concerning any matter, transaction, or occurrence, whether or not arising out of the subject matter of the Complaint, against any person not a Party to this JCO.

17. When entered, this JCO shall constitute a judicially approved settlement within the meaning of N.J.S.A. 58:10-23.11f.a.(2)(b) and 42 U.S.C. § 9613(f)(2) and will resolve the liability of the Settling Defendant to the Plaintiffs for the purpose of providing contribution protection to the Settling Defendant from contribution actions under CERCLA, the Spill Act, the Joint Tortfeasors Contribution Law, N.J.S.A. 2A:53A-1 *et seq.*, the Comparative Negligence Act, N.J.S.A. 2A:15-5.1 to -5.8 or any other statute, regulation or common law principle related to the causes

of action pleaded in the Complaint or matters addressed in this JCO. The Parties agree, and by entering this JCO this Court finds, the Settling Defendant is entitled, upon fully satisfying its payment obligation under this JCO, to protection from contribution actions pursuant to Sections 113(f)(2) of CERCLA, 42 U.S.C. §§ 9613(f)(2), the Spill Act, N.J.S.A. 58:10-23.11f.a.(2)(b), and any other statute, regulation, or common law principle that provides contribution rights against the Settling Defendant with regard to the subject matter of the Complaint or matters addressed in this JCO.

18. In accordance with N.J.S.A. 58:10-23.11e2 the Plaintiffs published a copy of the draft JCO on Plaintiffs' website, published notice of this JCO in the New Jersey Register, and arranged for notice, as described in the following paragraph, to other parties in this case and to the other potentially responsible parties. Such notice included the following information:

- a. the caption of this case;
- b. the name of the Settling Defendant;
- c. a summary of the terms of this JCO; and
- d. that a copy of the draft JCO is available on DEP's website.

19. In fulfillment of N.J.S.A. 58:10-23.11e2 the Parties have provided written notice of this JCO to all other parties in the case and to other potentially responsible parties by:

a. The Settling Defendant sending a letter to liaison defense counsel and serving a copy of such letter on counsel of record in the above captioned litigation via LexisNexis File and Serve; and

b. The Settling Defendant publishing notice in the following newspapers:

i. Asbury Park Press;

ii. Atlantic City Press;

iii. Bergen Record;

iv. Burlington County Times;

v. New Jersey Herald;

vi. South Jersey Times; and

vii. Star Ledger; and

c. The Plaintiffs distributing a copy of the New Jersey Register Notice via the Site Remediation Program's and the Office of Natural Resource Restoration's websites, which the public can access at <http://nj.gov/dep/srp/legal/> and <http://nj.gov/dep/nrr/settlements/index.html>, respectively.

This notice is deemed compliant with the notice requirement of N.J.S.A. 58:10-23.11e2.

20. The Plaintiffs will submit this JCO to the Court for entry pursuant to Paragraph 35 below unless, as a result of the notice of this JCO pursuant to Paragraphs 18 and 19 above, the Plaintiffs receive information that discloses facts or considerations that

indicate to Plaintiffs, in their sole discretion, that the JCO is inappropriate, improper, or inadequate.

21. In any subsequent administrative or judicial proceeding initiated by the Plaintiffs relating to gasoline contamination at sites covered by this JCO, the Settling Defendant shall not assert, and may not maintain, any defense or claim based upon the principles of the entire controversy doctrine and the argument that such matters should have been included in the above-captioned litigation; provided, however, that nothing in this Paragraph affects the enforceability of this JCO.

#### XI. GENERAL PROVISIONS

22. Nothing in this JCO shall be deemed to constitute preauthorization of a claim against the Spill Fund within the meaning of N.J.S.A. 58:10-23.11k. or N.J.A.C. 7:1J.

23. To the extent required, all investigation and Remediation of hazardous substances performed by the Settling Defendant (if any) under State oversight (as opposed to federal oversight) will be performed pursuant to the Site Remediation and Reform Act, N.J.S.A. 58:10C-1 *et seq.*, and the accompanying regulations (e.g., using a Licensed Site Remediation Professional) notwithstanding N.J.S.A. 58:10C-27(e).

24. The Plaintiffs enter into this JCO pursuant to the police powers of the State of New Jersey for the enforcement of the laws

of the State and the protection of the public health and safety and the environment. All obligations imposed upon the Settling Defendant by this JCO are continuing regulatory obligations pursuant to the police powers of the State of New Jersey.

25. No payment owed or made pursuant to this JCO is intended to constitute a debt, damage claim, penalty, or other claim that may be limited or discharged in a bankruptcy proceeding.

26. This JCO shall be governed and interpreted under the laws of the State of New Jersey.

27. If any provision of this JCO or the application thereof to any person or circumstance, to any extent, is held to be invalid or unenforceable, (a) the parties hereto shall negotiate in good faith a valid and enforceable provision as similar in terms to such invalid or unenforceable provisions as may be possible and (b) the remainder of this JCO or the application of such provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby and each provision of this JCO shall be valid and enforced to the fullest extent permitted by law.

#### XII. EFFECTIVE DATE

28. The effective date of this JCO shall be the date upon which this JCO is entered by the Court.

#### XIII. RETENTION OF JURISDICTION

29. This Court retains jurisdiction over both the subject matter of this JCO and the Parties for the duration of the performance of the terms and provisions of this JCO for the purpose of enabling any of the Parties to apply to the Court at any time for such further order, direction, and relief as may be necessary or appropriate for the construction or modification of this JCO, or to effectuate or enforce compliance with its terms.

#### XIV. COOPERATION AND DOCUMENT RETENTION

30. The Settling Defendant agrees to make current employees available to testify at or prior to trial for this case only without the need to serve subpoenas so long as such employees are only asked to appear where they would otherwise be subject to a proper subpoena and Plaintiffs pay the costs of such employees' travel for the purpose of providing testimony. With respect to former employees, Settling Defendant agrees to use reasonable efforts to facilitate the appearance of such witnesses to testify at or prior to trial, so long as such former employees are only asked to appear where they would otherwise be subject to a proper subpoena, Plaintiffs pay the costs of such former employees' travel for the purpose of providing testimony, and the former employee consents to appear. The Settling Defendant will provide to Plaintiffs last known addresses of former employees that are not

willing to voluntarily testify unless prohibited by law or contract from doing so.

31. The Settling Defendant shall comply with the provisions of the March 15, 2005 Order for Preservation of Documents entered in this matter for so long as required under the terms of that Order.

#### XV. MODIFICATION

32. This JCO may only be modified by written agreement between the Parties with approval by the Court and represents the entire integrated agreement between the Plaintiffs and the Settling Defendant, and supersedes all prior negotiations, representations or agreements, either written or oral.

33. Nothing in this JCO shall be deemed to alter the Court's power to enforce, supervise, or approve modifications to this JCO.

#### XVI. ENTRY OF THIS JCO

34. The Settling Defendant consents to the entry of this JCO without further notice after the comment period specified in Paragraphs 18 and 19 above.

35. Upon conclusion of the Plaintiffs' review of any public comment(s) received as a result of the notice described in Paragraphs 18 and 19 above, the Plaintiffs shall promptly submit this JCO to the Court for entry.

36. If for any reason the Court should decline to approve this JCO in the form presented, this agreement is voidable at the sole discretion of any Party and the terms of the agreement may not be used as evidence in any litigation among the Parties or third parties.

37. Within thirty days of the Plaintiffs' receipt of payment as set forth in Section V above, Plaintiffs shall request that the Court dismiss this Complaint as to Total with prejudice pursuant to Fed. R. Civ. P. 41(a)(2).

#### XVII. SIGNATORIES/SERVICE

38. Each undersigned representative of Plaintiffs and Settling Defendant to this JCO certifies that he or she is authorized to enter into the terms and conditions of this JCO, and to execute and legally bind such Party to this JCO.

39. This JCO may be signed and dated in any number of counterparts, each of which shall be an original, and such counterparts shall together be one and the same JCO.

40. Settling Defendant identifies in this paragraph an agent who is authorized to accept service of process by mail on its behalf with respect to all matters arising under or relating to this JCO. Settling Defendant agrees to accept service in this manner, and to waive the formal service requirements set forth in the New Jersey

Rules of Court or Federal Rules of Civil Procedure, including service of a summons.
