Highlights of Revisions to the RAO Guidance Document

Myrna Campion, Acting Bureau Chief
Bureau of Inspection and Review
PROCESS

- The RAO Guidance Document has been updated to reflect the issues identified by the LSRPs, BIR, BCAIN, Permit Coordinators and Support Staff (BEERA and BGWPA) with the document during the course of its implementation.
- Comments and recommendations were also taken into consideration.
PROCESS

- Comments/issues/recommendations gathered from the BIR staff and LSRPA during Department’s quarterly meetings with LSRPA committee
- Next meeting is scheduled for December 10
- Updated document will be provided to LSRPA for comments prior to listserv posting
