

**NJDEP
Site Remediation Reform Act
Remedial Priority System
Meeting Record Form**

Record prepared by George Klein

Date	December 17, 2010
Location	Clinton Avenue Trenton, NJ
Attendees	See Meeting Attendance Record shown below
Agenda	See Meeting Agenda shown below
Action Items	Presentations by each subcommittee: GIS – Bill Huber HazSite Data – Ben Alter Additional Data Resources – Trevan Houser Overview/Policy Update – George Klein
	Each group identified issues within their topic area and presented rationale for alternatives that were considered and made recommendations for solutions.
	DEP provided demonstration of model utilizing two scenarios: Case with 'good' data fields and Case with 'minimal' data fields.
	Cross Group discussion followed after all presentations were made to engage dialogue and receive feedback on issues/solutions presented.
Decisions Made	It was determined that each group is about 75% complete with their individual tasks and will continue to meet over the next 6-8 weeks to finalize their recommendations and prepare a summary of their findings to the Department.
Issues for referral to Steering Comm.	None
Next Meeting Date	TBD
Topics for next meeting	Presentation of Findings from each subcommittee and update from Policy Stakeholder group.
