

Remediation Certifications (RC)

- RC replaces ISRA Remediation Agreements (RA) which allow ISRA triggering event to occur prior to NFA/RAO or Remedial Action Workplan approval.
- DEP will NOT issue amendments to existing RA or ECRA ACOs. Existing RA's and ACO's will remain effective.
- NO new RA's will be issued after November 2nd.
- RC application is available on the web at
<http://www.nj.gov/dep/srp/srra/forms>

Remediation Certifications (RC)

- The RC form identifies the transaction, owner(s), operator(s) and remediating party(ies). The RC regulations may be found at N.J.A.C. 7:26B-4.3.
- A cost estimate required and must be certified by an LSRP if PA/SI is completed.
- If PA/SI not completed, the \$100,000 and \$250,000 (GW known) default RFS amounts still may be used and no LSRP certification required.
- A cost estimate must be submitted within 30 days of completion of PA/SI.
- Original Remediation Funding Source must be submitted with RC.
- RC's will not be approved by the DEP. Transaction may proceed after submission of RC and RFS to DEP.
